In the event the Association, after such notice, causes the subject work to be done, then, and in that event, the costs of such work, together with interest thereon at the maximum rate permitted by the usury laws of the State of Florida, shall be charged to the Owner and shall become a lien on the Unit, which lien shall be effective, have priority and be enforced pursuant to the procedures set forth in this Declaration.

Units shall not be further subdivided or separated by any Owner; and no portion less than all of any such Unit, nor any easement shall be conveyed or transferred by an Owner; provided, however, that this shall not prevent corrective deeds, deeds to resolve boundary disputes and other similar corrective instruments. B. Unit Exterior Surfaces. The Association shall at all times be responsible for the normal and routine painting of the exterior walls and fences of the Units. The cost to the Association of painting the exterior walls and fences of the Units shall be assessed equally among the Unit Owners, as part of the Association Expenses pursuant to the provisions of this Declaration.

C. Front Yards and Public Property. The Association may maintain property which it does not own, including, without limitation, the front yards (street side) of the Units and property dedicated to the public, if the Board determines that such public property maintenance is necessary or desirable.

The City Commission, as a condition precedent to the dissolution or disposal of Common Areas may require dedication of common open areas or utilities to the public as deemed necessary.

(ii) If the Association fails at any time to maintain the Common Areas in reasonable order and condition in accordance with the approved final development plan for Hammock Reserve, then the City Commission may serve written notice by certified mail, return receipt requested, on the Association, which notice shall set forth the manner in which the Association has failed to maintain the Common Areas in reasonable order and condition, and shall demand that such failure be remedied with thirty (30) days of the sending of such notice, or in the alternative, that the Association appear before the City Commission at a specified time (at least ten (10) days, but not more than thirty (30) days after the sending of such notice) either to contest the alleged failure to maintain the Common Areas, or to show cause why it cannot remedy such failure within the thirty (30) day period. The municipality shall have a right of entry, possession, and maintenance, provided that the above procedures have been followed, and such entry, possession, and maintenance shall not constitute a trespass. Such entry, possession, and maintenance shall not give the public any right to use the Common Areas. The City Commission may, upon public hearing with notice given and published in the same manner as above, return possession and maintenance of the Common Areas to the Association, its successors or assigns, abandon such possession and maintenance, or continue such possession and maintenance for an additional one (1) year period. The costs of such maintenance by the municipality shall be assessed equally against all Units within Hammock Reserve, and shall become a charge or lien on the Units, and such charge shall be paid by the Owners of said Units with thirty (30) days after receipt of a statement therefor.

2. Owner's Responsibility. Without limiting the types of units which may be developed within Hammock Reserve, the Developer

may construct zero-lot-line single family homes. The Developer initially intends to construct both the "Oakmont" model and the "Glenwood" model zero-lot-line Units. The restrictions, covenants and provisions set forth herein shall apply to such homes, and may be modified, deleted, or supplemented by Subsequent Amendment.

A. Maintenance of the Exterior of Unit. Each Owner shall maintain his or her own Unit and the structures, driveway, sidewalks, and other improvements comprising the Unit, including all exterior surfaces (excluding the "Lot Perimeter Wall" as defined herein), boundary walls and fences, in good condition and repair and in a like condition, appearance, and quality as originally constructed. The Lot Perimeter Wall shall be defined to mean and refer to a zero-lot-line Unit's exterior wall and privacy wall, which is located approximately three feet one inch (3 ft. 1 in.) from the lot line or boundary. Notwithstanding the foregoing, the Association shall be responsible for normal and routine pressure cleaning, painting, and refinishing of the exterior walls and fences of a Unit. The Board shall determine the need for such cleaning and painting from time to time. All costs reasonably related to said cleaning and painting shall be borne by the Association as an Association Expense.

B. Maintenance of Rear Yard. Each Unit owner shall maintain his own lawn, landscaping, and the sprinkler system located in the rear yard of his Lot, and within the Zero Line Easement (defined below). The rear yard of a Lot includes all portions of the Lot behind an imaginary line extending from and including the vertical plane of the closed door of a Unit to the nearest neighboring Lot Perimeter Wall). The Association shall maintain the lawn, landscaping, and sprinkler system located in the front yard (street side) of each Lot, the Common Areas and drainage and other easements shown on the General Plan of Development.

C. Lot Perimeter Walls. Maintenance of the Lot Perimeter Wall shall be the obligation of the Owner of the lot adjacent to the Lot Perimeter Wall. The adjacent lot owner shall have an easement (Zero Line Easement, defined below) over that portion of the adjacent lot on which a Lot Perimeter Wall has been located, as specified herein, in order to maintain and to make superficial repairs to said Lot Perimeter Wall. However, in no event, shall any Person make any structural or other changes in the walls, including, but not limited to, change of paint color, without the express written approval of the Architectural Control Committee. Structural repairs to the Lot Perimeter Wall shall be performed solely by the Association or its assigns. In the event the Board shall determine that the Lot Perimeter Wall has been

damaged by the adjacent lot owner, that owner shall be responsible for repairing such damage in a timely manner and in accordance with the standards established by the Board. In the event such repair is not so accomplished by said adjacent lot owner within thirty (30) days, unless extended by the Board, the Association shall have the right at reasonable times to enter the adjacent lot to effect such repair, and the cost thereof shall be assessed to the adjacent lot owner, and, if not paid in a timely manner, shall become an Special Assessment upon such adjacent Lot.

D. Zero Line Easement. Each lot on which a zero-lot-line Unit is constructed is subject to an easement of approximately three feet one inch (3 ft. 1 in.) in width which extends from the front of the Unit (street side) to the rear of the lot ("Zero Line Easement"). The Zero Line Easement is in favor of the Owner of the Lot immediately adjacent to the easement. The Zero Line Easement is a result of building code requirements, which disallow a Lot Owner's roof from overhanging property which is not owned in fee by the Lot Owner. Therefore, each Lot Owner's roof overhangs a portion of his Lot, which is subject to the Zero Line Easement. Each Unit is constructed within a Lot such that one side of the Unit, the side which includes the Lot Perimeter Wall, is adjacent to the Zero Line Easement. A sketch of the Zero Line Easement is attached hereto and made a part hereof marked Exhibit "G".

E. Grantee of Zero Line Easement. The owner of the Lot immediately adjacent to the Zero Line Easement is the grantee of the Zero Line Easement. The grantee is hereby granted the exclusive right to use and maintain real property within the Zero Line Easement. The Owner of the Lot on which the Zero Line Easement is located shall not be permitted to use or to maintain the real property within the Zero Line Easement, (except for roof overhang) however, in the event of damage to his single family home, the Owner of the Lot on which the Zero Line Easement is located may enter upon the real property subject to the Zero Line Easement to perform repairs and replacements to his zero-lot-line single family home.

F. Permissible uses of the Zero Line Easement. The Zero Line Easement area may be used by the grantee for landscaping and irrigation purposes, as well as for the purposes described in subparagraph 2C above, and if approved by the ACC, may be fenced. No landscaping material may be placed in the Zero Line Easement which would contact the Lot Perimeter Wall or the roof of the Unit abutting the Zero Line Easement. No irrigation shall be permitted within the Zero Line Easement which could damage the Lot Perimeter Wall or roof of the Unit abutting the Zero Line Easement.

G. Damage. If a Unit is damaged through an act of God or other casualty, the affected owner shall promptly have his Unit repaired and rebuilt substantially in accordance with the architectural plans and specifications of the Unit building. The Association shall have the right to specially assess all members of the Association if insurance proceeds are insufficient to repair or rebuild the affected Units in accordance with this paragraph. The assessment and collection of any special assessment authorized pursuant to this paragraph shall be made in accordance with the assessment powers and lien rights of the Association for Association Expenses.

H. Modifications. No Unit Owner shall authorize the painting, refurbishing or modification of the exterior surfaces of his Unit or of the Unit building. Normal maintenance of the exterior surfaces, such as pressure cleaning, repainting and refinishing, shall be done uniformly at the same time for the entire Unit building by the Association and as an Association Expense.

I. Failure to Maintain. In the event a Unit Owner shall fail to maintain correct Lot drainage and to maintain the premises and the improvements thereon, as provided herein, the Association, after notice to the Owner, shall have the right to enter upon any Lot to correct drainage and to repair, maintain and restore the exterior of the Unit and any other improvements erected thereon. All costs related to such correction, repair or restoration shall become a Special Assessment against such Unit; provided, however, except when entry is required due to an emergency situation, the Association shall afford the Owner reasonable notice and an opportunity to cure the failure to maintain prior to entry.

ARTICLE IX

ASSESSMENTS

1. Creation of Assessments. There are hereby created assessments for Association Expenses as may from time to time specifically be authorized by the Board to be commenced at the time and in the manner set forth in this Article. There shall be two (2) types of assessments: (a) Assessments to fund Association Expenses for the benefit of all Members of the Association; and (b) Special Assessments as described in paragraph 3 below.

A. Equal Assessments. Assessments shall be levied equally on all Units. Special Assessments shall be levied as

provided in paragraph 3 below. Each Owner, by acceptance of his or her deed is deemed to covenant and agree to pay these assessments.

B. Certificate of Payment. The Association shall, upon demand at any time, furnish to any Owner liable for any type of assessment a certificate in writing signed by an officer of the Association setting forth whether such assessment has been paid as to any particular Unit. Such certificate shall be conclusive evidence of payment to the Association of such assessment. The Association may require the advance payment of a nominal processing fee for the issuance of such certificate.

C. Quarterly Payments. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, acceleration of the annual Assessment for delinquent Members. Unless the Board otherwise provides, the Assessments shall be payable not less frequently than quarter-annually in advance on the first day of January, April, July, and October.

D. No Waiver. No Owner may waive or otherwise exempt himself from liability for the assessments provided for herein, including, by way of illustration and not limitation, by non-use of Common Areas or abandonment of the Unit. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the By-Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of the County or other governmental authority.

E. Developer Obligation. Until the Transfer Date, the Developer shall be obligated for the difference between the amount of assessments levied on such Units, and the amount of actual expenditures required to operate the Association for the period of time that the Developer has the right to unilaterally subject additional property to this Declaration. This obligation may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these.

F. Subsidy Contracts. The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services or materials or a combination of

services and materials with the Developer or other entities for the payment of some portion of the common expenses.

2. Computation of Assessments. It shall be the duty of the Board, at least sixty (60) days before the beginning of the fiscal year, to prepare a budget covering the estimated costs of operating the Association during the coming year. The budget shall include and shall separately list Association Expenses. The Board shall cause a copy of the budget and the amount of assessments to be levied against each Unit for the following year to be delivered to each Owner at least thirty (30) days prior to the end of the current fiscal year. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for special meetings in the By-Laws.

Notwithstanding the foregoing, however, in the event the proposed budget is disapproved or the Board fails for any reason so to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year.

The budget shall include, without limitation, the following listed line items:

A. Maintenance, repair and replacement. All expenses necessary to meet the Association's responsibility to maintain the Units, lawns, landscaping and irrigation systems as described herein, and to maintain the Common Areas in accordance with the requirements of this Declaration.

B. Utility Charges. All charges levied for utility services to the Common Areas, whether supplied by a private or public firm including, without limitation, all charges for water, gas, electricity, telephone, sewer and any other type of utility or service charge.

C. Insurance. The premiums on any policy or policies of insurance required under this Declaration, together with the costs of such other policies of insurance, as the Board, with the consent of the Unit Owners at any meeting thereof, shall determine to be in the best interest of the Association. Nothing contained herein is intended to require that the Association insure any Unit or Lot from any liability or casualty risk.

D. Insurance Trustee. If required or appropriate, all

expenses necessary to retain and continue to retain a lending institution in the County, having a trust department to act as "Insurance Trustee". The functions of the Insurance Trustee shall include holding all original policies purchased by the Association, being named as loss payee, distributing proceeds of such insurance, assisting in the reconstruction of improvements from insurance premiums and performing such other functions as shall be agreed upon.

E. Taxes. All taxes levied or assessed upon the Common Areas, if any, by any and all taxing authorities, including all taxes, charges and assessments, imposition and liens for public improvements, special charges and assessments; and, in general, all taxes on personal property and improvements which are now and which hereinafter may be placed in the Common Area, including any interest penalties and other charges which may accrue on such taxes.

F. Miscellaneous expenses. The costs of administration for the Association, including any secretaries, accounting service, bookkeepers, or employees necessary to carry out the obligations and covenants of the Association under the Declaration, including the collection of sums owed by a particular Unit. The Association may retain a managing company or contractors to assist in the operation of the Association and to perform or assist in the performance of certain obligations of the Association hereunder. The fees or costs of any management company or contractor so retained shall be deemed to be part of the Association Expenses.

G. Indemnification. The costs to the Association to indemnify and save harmless Developer from and against any and all claims, suits, actions, damages and/or causes of action arising from any personal injury, loss of life and/or damage to property in or about the Common Areas, if any, from and against all costs, counsel fees, expenses, liabilities occurring in and about such claim, the investigation thereof, or the defense at any level of any action or proceeding brought which may enter therein. Included in the foregoing provisions for indemnification are any expenses the Developer may be compelled to incur and bring suit for the purposes of enforcing rights thereunder, or for the purpose of compelling the specific enforcement of the provisions, conditions, covenants and restrictions, contained in this Declaration to be kept and performed by the Association and/or the Owners, including the payment of Association Expenses.

Included also is the cost to the Association to indemnify its Board, committee members, and officers for all costs and

expenses whatsoever incurred in pursuance of their duties, obligations and functions hereunder. Nothing in the provisions of this subparagraph shall require any Institutional Mortgagee to pay the Association Expenses or portion thereof attributable to costs of the Association to indemnify and save harmless Developer in accordance with such paragraph. Any such Association Expense shall be reallocated amongst the Unit Owners and not the Institutional Mortgagees.

H. Reserve funds. The costs to establish an adequate reserve fund for replacement and/or capital refurbishment of the Common Areas and the payment of other common expenses (the "capital contributions") in the amounts determined proper and sufficient by the Board, if any. Each Owner acknowledges, understands and consents that capital contributions are the exclusive property of the Association as a whole, and that no Owner shall have any interest, claim or right to any such capital contributions or funds composed of the same. The Association shall be responsible for maintaining the capital contribution in a separate reserve account and to use such funds only for capital costs and expenses as aforesaid.

3. Special Assessments.

A. Consent of Members. In addition to the assessments authorized in paragraph 1 of this Article, the Association may levy a Special Assessment or Special Assessments; provided, such assessment shall have the affirmative vote or written consent of at least fifty-one (51%) percent of the Members of the Association. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines.

B. Repairs. The Association may levy a Special Assessment to obtain all sums necessary to repair, replace, construct or reconstruct ("repair") any buildings or improvements located on the Property damaged by any casualty to the extent insurance proceeds are insufficient for repair. Any difference between the amount of insurance proceeds received on behalf of the Association with respect to repair and the actual cost of the repair ("repair sums") shall be an Association Expense for which the Association shall levy a Special Assessment against all Unit Owners to obtain the funds necessary to pay for such repair sums within ninety (90) days from the date such damage was incurred. The Association shall establish an account with an Institutional Mortgagee located in the County, and deposit into such account all

repair sums and all insurance proceeds collected by the Insurance Trustee so that the amounts on deposit will equal the costs of repair. The Association shall proceed so that repairs shall be completed within one (1) year from the date of damage, if possible. Nothing contained herein is intended to require that the Association insure any Unit or Lot from any liability or casualty risk.

C. Reimbursements. The Association may also levy a Special Assessment against any Member to reimburse the Association for costs incurred in bringing a Member and his Unit into compliance with the provisions of the Declaration, any amendments thereto, the Articles, By-Laws, and the Rules and Regulations, which Special Assessment may be levied upon the vote of the Board after notice to the Member and an opportunity for a hearing.

4. Date of Commencement of Annual Assessments. The annual assessments provided for herein shall commence as to each Unit at the time that a certificate of occupancy is issued for the Unit by the appropriate governmental authority. Assessments shall be due and payable in a manner and on a schedule as the Board of Directors may provide. The first annual assessment shall be adjusted according to the number of days remaining in the fiscal year at the time assessments commence on a Unit.

5. Subordination of the Lien to First Mortgagees. The lien of assessments, including interest, late charges, and costs (including attorney's fees) provided for herein, shall be subordinate to the lien of any first Mortgage upon any Unit as provided in this Declaration. The sale or transfer of any Unit shall not affect the assessment lien. However, the sale or transfer of any Unit pursuant to judicial or nonjudicial foreclosure of a first Mortgage or as a result of a deed in lieu of foreclosure shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Unit from lien rights for any assessments thereafter becoming due. Where the Mortgagee holding a first Mortgage of record or other purchaser of a Unit obtains title pursuant to remedies under the Mortgage, its successors and assigns shall not be liable for the share of the Association Expenses or assessments by the Association chargeable to such Unit which became due prior to the acquisition of title to such Unit by such acquirer. Such unpaid share of Association Expenses or assessments shall be deemed to be Association Expenses collectible from Owners of all the Units, including such acquirer, its successors and assigns.

6. Exempt Property. Notwithstanding anything to the contrary herein, the following property shall be exempt from the payment of Assessments and Special Assessments:

A. All Common Areas; and

B. All property dedicated to and accepted by any governmental authority or public utility.

ARTICLE X

ESTABLISHMENT AND ENFORCEMENT OF LIENS

1. Lien for Assessments. All assessments, together with interest at a rate not to exceed the highest rate allowed by Florida law as computed from the date the delinquency first occurs, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Unit against which each assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the Person who was the Owner of such Unit at the time the assessment arose, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance, except no first Mortgagee who obtains title to a Unit pursuant to the remedies provided in the Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title. Under no circumstances shall the Board suspend the voting rights of a Member for nonpayment of any assessment.

2. Effective Date of Lien. Said lien shall be effective only from and after the time of recordation amongst the Public Records of the County, of a written, acknowledged statement by the Association setting forth the amount due to the Association as of the date the statement is signed. Upon recording, there shall exist a perfected lien for unpaid assessments prior and superior to all other liens, except (1) all taxes, bonds, assessments, and other levies which by law would be superior thereto, and (2) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. Upon full payment of all sums secured by that lien and costs and fees accrued, the party making payment shall be entitled to a recordable Satisfaction of Lien.

3. Remedies. In the event any Owner shall fail to pay his or her assessments within (15) days after the same becomes due, the Association, through its Board, shall have all of the following

remedies to the extent permitted by law.

A. Late Charge. To impose a late charge not in excess of \$25.00.

B. Acceleration of Assessments. To accelerate the entire amount of any assessments for the remainder of the year notwithstanding any provisions for the payment thereof in installments.

C. Attorneys Fees and Costs. To advance on behalf of the Owner funds to accomplish the needs of the Association and the amount or amounts of money so advanced, including reasonable attorneys' fees and expenses which might have been reasonably incurred because of or in connection with such advance, including costs and expenses of the Association if it must borrow to pay expenses because of said Owner, together with interest at the highest rate allowable by law, may thereupon be collected or enforced by the Association and such advance or loan by the Association shall not waive the default.

D. Action in Equity. To file an action in equity to foreclose its lien at any time after the effective date thereof. The lien may be foreclosed by an action in the name of the Association in a like manner as the foreclosure of a mortgage on real property.

E. Action at Law. To file an action at law to collect said assessments, plus interest at the highest rate allowable by law plus costs and attorneys' fees, without waiving any lien rights or rights of foreclosure by the Association.

4. Rights upon Foreclosure. The Association, acting on behalf of the Owners, shall have the power to bid for the Unit at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. During the period in which the Unit is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be assessed or levied on it; and (c) each other Unit shall be charged, in addition to its usual assessment, its equal pro rata share of the assessment that would have been charged such Unit had it not been acquired by the Association as a result of foreclosure. Suit to recover a money judgment for unpaid common expenses and attorney's fees shall be maintainable without foreclosing or waiving the lien securing the same.

ARTICLE XI

INSURANCE

1. Common Area Insurance. The Association shall maintain a policy or policies to insure the Common Area improvements, personal property and supplies, if any, from casualty losses, and shall be in such amounts so that the insured will not be a co-insurer except under deductible clauses required to obtain coverages at a reasonable cost.

A. Casualty Insurance Exclusions. The coverages for casualty losses will EXCLUDE the following:

(i) Land, foundations, excavations or other items that are usually excluded from insurance coverage; and

(ii) Floor, wall, and ceiling coverings.

B. Casualty Insurance Inclusions. The coverage for casualty losses will INCLUDE, where applicable, the following:

(i) covered by a standard extended coverage endorsement;

(ii) all other perils customarily covered for similar types of projects, including those covered by the standard "all risk" endorsement;

(iii) Agreed Amount and Inflation Guard Endorsement, when it can be obtained;

(iv) Liability from Operation of Building Laws Endorsement, and Increased Cost of Construction Endorsement;

(v) Steam Boiler Endorsement, if applicable, providing at least \$50,000.00 coverage for each accident at each location; and

(vi) a standard mortgagee clause naming, when appropriate, the Federal National Mortgage Association (FNMA) or the servicers for mortgages held by FNMA, their successors and assigns.

C. Policy Waivers. When appropriate and possible, the policies shall waive the insurer's right to:

(i) subrogation against the Association and against the Owners, individually and as a group;

(ii) the pro-rata clause that reserves to the insurer the right to pay only a fraction of any loss if other insurance carriers have issued coverage upon the same risk; and

(iii) avoid liability for a loss that is caused by an act of the Board, or by a member of the Board or by one or more Owners.

D. Other Provisions. In addition, the policy shall provide that:

(i) any Insurance Trust Agreement will be recognized;

(ii) the policy shall be primary, even if an Owner has other insurance that covers the same loss; and

(iii) the named insured shall be the Association for the use and benefit of the Unit Owners. The "loss payable" clause should show said Association or the designated insurance trustee as the trustee for each Owner and each Owner's mortgagee.

2. Unit Insurance. Each Unit Owner shall maintain a policy or policies to insure his or her Unit from all casualty losses.

3. Reconstruction and Repair after Casualty.

A. Determination. Under ordinary circumstances, Common Area improvements which are damaged by casualty shall be reconstructed and repaired. If a dispute arises as to whether a Common Area improvement should be repaired or reconstructed, the Board of Directors, with approval of the oldest unsatisfied mortgagee having an effective lien thereon, shall make the determination to repair or reconstruct. The adjoining owners shall be bound by this determination. If a Unit is damaged by a casualty, the affected Unit Owner shall promptly have his Unit repaired and rebuilt substantially in accordance with the architectural plans and specifications of the Unit. The Association shall have the right to specially assess all members of the Association if insurance proceeds are insufficient to repair or rebuild the affected Common Areas in accordance with this paragraph. The assessment and collection of any special assessment authorized pursuant to this paragraph shall be made in accordance with the assessment powers and lien rights of the Association for

Association Expenses.

B. Plans and Specifications. Although it is impossible to anticipate all problems which may arise from a casualty, the intent is to try to assure that the General Plan of Development is maintained by requiring damaged Units to be rebuilt or repaired and that unsightly and dangerous conditions are remedied as soon as possible. Any reconstruction and repair must be substantially in accordance with the plans and specifications for such property as originally constructed, and in any event, according to plans and specifications approved by the ACC. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair to the Common Areas, for which the Association is responsible, or if at any time during the work or upon completion of the work the funds available for payment of the costs are insufficient, assessments shall be made by the Association against all Owners in sufficient amounts to provide funds for the payment of those costs. The Assessments shall be made as an Association Expense, except that the cost of construction, reconstruction and repair occasioned by special improvement made at the request of the Owner and not common to other Units shall be assessed to such Unit Owner.

4. Public Liability Coverage. The Association shall obtain comprehensive general liability coverage insuring the Association against any and all claims and demands made by any person or persons for injuries received in connection with the operation and maintenance of the Common Areas and improvements located thereon, or for any other risk insured against by such policies which the Association, in its sole discretion, determines to insure against. Each policy purchased by the Association shall have limits of not less than \$1,000,000.00 covering all claims for personal injury and property damage arising out of a single occurrence. The liability coverage shall include protection against liability for non-owned and hired automobiles, and liability of hazards related to usage. In addition, the coverage shall include protection against liability that results from actions related to employment contracts in which the Association is a party. All such policies will name the Association (and the Developer until the Transfer Date), as their respective interests may appear, as insured parties under such policy or policies. The original of each policy shall be held by the Board or in the office of the Insurance Trustee.

5. Fidelity Bond Coverage. The Association shall obtain Fidelity Bonds covering officers, directors, employees and other persons who handle or are responsible for handling Association funds. The Fidelity Bonds (or insurance) shall meet the following

requirements.

A. Association as Obligee. All such fidelity insurance or bonds shall name the Association as an obligee; and

B. Amount of Insurance. Such fidelity insurance or bonds shall be written in the amount equal to at least 150% of three months operating expenses of the Association, and the amount in reserve as of the end of each fiscal year of the Association; and

C. Waivers. Such fidelity insurance or bonds shall contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of "employee" or a similar expression; and

D. Notice of Cancellation. Such insurance or bonds shall provide that they may not be canceled or substantially modified (including cancellation for nonpayment of premiums) without at least thirty (30) days prior written notice of the servicer or the insured.

6. Flood Insurance. If any part of the Common Areas are in a special flood hazard area, and are insurable as defined by the Federal Emergency Management Agency, the Association shall insure same. The coverage shall be 100% of the current replacement cost of any Common Area improvements or structures and other insurable common property, or the maximum coverage available for such improvements, structures, or property under the National Flood Insurance Program.

7. Insurer. All insurance shall be issued by a company authorized to do business in the State of Florida.

8. Named Insured. For all policies obtained by the Association, the named insured shall be the Association individually and as trustee for Owners covered by the policy without naming them, and shall include Institutional Mortgagees who hold mortgages upon Units covered by the policy whether or not the mortgagees are named. The Board may authorize the Insurance Trustee to maintain the policies and receive any proceeds of such policies.

9. Premiums. Premiums on policies purchased by the Association shall be paid as an Association Expense. However, if the amount of a premium is increased because a Unit or its appurtenances is misused or abandoned then the Owner of such Unit

is liable for the amount of such increase. The Association will furnish evidence of premium payment to each mortgagee upon request.

10. Insurance Proceeds. All insurance policies purchased by the Association shall be for the benefit of the Association and the Unit Owners and their mortgagees as their interests may appear, and shall provide that all proceeds covering property losses shall be paid to the Association as trustee or to such institution in Florida with trust powers as may be designated as Insurance Trustee by the Board. The Trustee shall hold the proceeds for the benefit of the Unit Owners and their mortgagees in the following shares:

A. Share of Proceeds. An undivided share for each Unit Owner, that share being the same as such Owner's undivided share in the Association Expenses.

B. Mortgagees. If a mortgagee endorsement of an insurance policy has been issued as to a Unit, the share of the Owner shall be held in trust for the mortgagee and such Owner, as their interests may appear; however, that no mortgagee shall have any right to determine or participate in the determination as to whether or not any such Unit shall be reconstructed or repaired, and unless provided by the terms of the mortgage, no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except distribution of proceeds made to the Owner and the mortgagee.

11. First Mortgagees. This Article is additionally for the benefit of first mortgagees of Units and may not be amended without the consent of all such mortgagees.

12. Policy Cancellation. All insurance policies purchased by the Association shall require the insurer to notify in writing the Association or the designated Insurance Trustee and each first mortgagee named in any mortgage clause at least 10 days before it cancels or substantially changes the coverage.

13. Association as Agent. The Association is irrevocably appointed agent for each Unit Owner and for each mortgagee or other lienor of a Unit, and for each owner of any other interest in the property, to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

ARTICLE XII

ARCHITECTURAL CONTROL

1. Architectural Control Committee. The Architectural Control Committee (hereinafter referred to as "ACC") shall consist of three (3) or more persons appointed by the Board. The Board shall have the authority and standing, on behalf of the Association, to enforce in courts of competent jurisdiction the decisions of the ACC. This Article may not be amended without the Developer's written consent so long as the Developer owns any property subject to this Declaration or subject to annexation to this Declaration.

2. Community-Wide Standard. The ACC shall regulate the external appearance, use, and maintenance of the General Plan of Development and of improvements thereon in such a manner as to comply with and meet the Community-Wide Standard, to best preserve and enhance values and to maintain a harmonious relationship among structures and the natural vegetation and topography. As regards the Developer, or any successor Developer, nothing herein shall give to the ACC the authority to regulate, control or determine external appearance, use or maintenance of property to be developed or under development, or dwellings to be constructed or under construction.

3. General Provisions.

A. Address of ACC. The address of the ACC shall be the principal office of the Association as designated by the Board. Such address shall be the place for the submittal of plans and specifications and the place where the current architectural standards, if any, shall be kept.

B. Construction Time Limitations. The ACC shall establish time limitations for the completion of any architectural improvements for which approval is required.

C. Defects in Plans, Specifications or Construction of Improvements. Plans and specifications are not approved for engineering design, and by approving such plans and specifications, neither the ACC, the members thereof, the Association, its members, the Board or the Developer assumes liability or responsibility therefor, or for any defect in any structure constructed from such plans and specifications.

4. Failure to Approve. In the event the ACC fails to

approve, modify or disapprove in writing an application within thirty (30) days after plans and specifications in writing have been submitted to it, in accordance with adopted procedures, if any, approval will be deemed granted.

5. Disapproval. In the event plans and specifications submitted to the ACC are disapproved, the party or parties making such submission may appeal in writing to the Board. The written request must be received by the Board not more than thirty (30) days following the final decision of the ACC. The Board shall have forty-five (45) days following receipt of the request for appeal to render its written decision. The Board may reverse or modify the ACC decision by a majority vote of the Directors. The failure of the Board to render a decision within the forty-five (45) day period shall be deemed a decision in favor of the appellant.

6. Conditions.

A. Definitions. No construction, which term shall include, without limitation, within its definition, staking, clearing, excavation, grading, and other site work, and no plantings or removal of plants, trees, or shrubs shall take place except in strict compliance with this Article, until the requirements of this Article have been fully met, and until the approval of the ACC has been obtained.

B. Approval by ACC. No construction of improvements (including without limitation, pools, saunas, spas, jacuzzis, screened enclosures, buildings, mailboxes, dog runs, animal pens, or fences), decorations, attachments, fixtures, alterations, repairs, change of paint or stain color, pressure cleaning, or other work shall be erected, constructed, affixed, placed, or altered on any Unit until the proposed plans, specifications, exterior colors and/or finishes, landscaping plan, and plot plan showing the proposed location of such improvements shall have been approved by the ACC, its successors or assigns. Refusal of approval of plans, location, or specifications may be based by the ACC upon any reason, including purely aesthetic conditions, which in the sole discretion of the ACC shall be deemed sufficient. One (1) copy of all plans and specifications shall be furnished to the ACC for its records. No permission or approval shall be required to repaint in accordance with the originally approved color scheme, or to rebuild in accordance with originally approved plans and specifications. Nothing herein shall be construed to limit the right of an Owner to remodel the interior of his Unit, or to paint the interior of his Unit any color desired.

C. Additional Plantings. No additional plantings shall be permitted on that portion of any Unit which may be maintained by the Association except as may be approved by the Association.

D. Laundry. No clothing, laundry or wash shall be aired or dried on any portion of the Units in an area exposed to view from any other Unit. Drying areas will be permitted only in locations approved by the ACC and only when protected from view by approved screening or fencing.

E. Antennae. No television or other outside antenna system or facility shall be erected or maintained on any Unit to which cable television service is then currently available except with the specific consent of the ACC.

F. Lot Perimeter Wall. No windows shall be permitted within the Lot Perimeter Wall, excepting only the glass block windows provided by the original developer of Hammock Reserve.

G. Typical Completion Deadline. Unless specifically excepted by the ACC, all improvements for which an approval of the ACC is required under this Declaration shall be completed within twelve (12) months from the date of commencement of said improvements.

H. Debris Deposit. No construction shall be commenced unless and until a returnable debris deposit of \$500.00 has been posted by the Unit Owner with the Association. The debris deposit shall be used to correct any damage to the common areas resulting from the construction activity. If no damage is done to the common areas by the construction activity, the debris deposit will be returned to the Unit Owner.

7. Variances. The ACC may authorize variances from compliance with any of the provisions of the current architectural standards, if any, when circumstances such as topography, natural obstructions, hardship, aesthetic, or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may only be granted, however, when unique circumstances dictate, and no variance shall be effective unless in writing, unless in compliance with the restrictions set forth in this Declaration, and unless such variance will not estop the Association from denying a variance in other circumstances. For the purposes of this paragraph, the inability to obtain approval of any governmental agency; the issuance of any permit; or the terms of any financing shall not be considered a hardship warranting a variance.

ARTICLE XIII

DEVELOPER'S RIGHTS

1. Developer's Transfer Right. Any or all of the special rights and obligations of the Developer may be transferred or assigned to other Persons, provided that the transfer or assignment shall not reduce an obligation nor enlarge a right beyond that contained herein, and provided further, no such transfer shall be effective unless it is in a written instrument signed by the Developer and duly recorded in the Public Records of the County. Nothing in this Declaration shall be construed to require Developer or any successor or assign to develop any property other than the property described in Exhibit "A".

2. Developer's Sales Offices. Notwithstanding any provisions contained in the Declaration to the contrary, so long as construction and sales of Units shall continue, it shall be expressly permissible for Developer to maintain and carry on upon portions of the Common Area such facilities and activities as, in the sole opinion of Developer, may be reasonably required, convenient, or incidental to the construction or sale of such Units, including, but not limited to, business offices, signs, model units, and sales offices, and the Developer shall have an easement for access to such facilities. The right to maintain and carry on such facilities and activities shall include specifically the right to use Units owned by the Developer and any facility which may be owned by the Association, as models and sales offices, respectively.

3. Right of Approval. So long as Developer continues to have rights under this Article, no Person shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of the Properties without Developer's review and written consent thereto, and any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument being void and of no force and effect unless subsequently approved by recorded consent signed by the Developer.

4. Termination of Developer's Rights. This Article may not be amended without the express written consent of the Developer; provided, however, the rights contained in this Article shall terminate upon the Transfer Date.

ARTICLE XIV

MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders of first Mortgages on Units in the Properties.

1. Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage who provides written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the Unit number, therefore becoming an "eligible holder"), will be entitled to timely written notice of:

A. Condemnation Loss. Any condemnation loss or any casualty loss which affects a material portion of the Properties or which affects any Unit on which there is a first Mortgage held, insured, or guaranteed by such eligible holder;

B. Delinquent Assessments. Any delinquency in the payment of Assessments or charges owed by an Owner of a Unit subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by an Owner of a Unit of any obligation under the Homeowners Documents which is not cured within sixty (60) days;

C. Insurance Lapse. Any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

D. Actions Requiring Consent. Any proposed action which would require the consent of a specified percentage of eligible holders of first mortgages.

2. Special FHLMC Provision. So long as required by the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to and not in lieu of the foregoing. Unless at least two-thirds (2/3) of the first Mortgagees or Members representing at least two-thirds (2/3) of the total Association vote entitled to be cast thereon consent, the Association shall not:

A. Common Areas. By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer all or any portion

of the real property comprising the Common Area which the Association owns, directly or indirectly (the granting of easements for public utilities or other similar purposes consistent with the intended use of the Common Area shall not be deemed a transfer within the meaning of this subsection).

B. Assessments. Change the method of determining the obligations, assessments, or other charges which may be levied against an Unit.

C. Architectural Regulations. By act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Units and of the Common Area. (The issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision.)

D. Insurance Lapse. Fail to maintain insurance, as required by this Declaration.

E. Use of Insurance Proceeds. Use hazard insurance proceeds for any Common Area losses for other than the repair, replacement or reconstruction of such property.

First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Area and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first Mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

3. No Priority. No provision of the Homeowners Documents gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Areas.

4. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Unit.

5. Amendment by Board. Should the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which

necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

6. Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request.

7. Financial Statements. Any holder of a first mortgage shall be entitled, upon written request after reasonable notice, to a financial statement of the Association for the immediately preceding fiscal year.

ARTICLE XV

ENFORCEMENT OF DECLARATION

The enforcement of this Declaration may be by proceeding at law for damages or in equity to compel compliance with its terms or to prevent violation or breach of any of the covenants or terms herein. The Developer, the Association, or any Unit Owner may, but shall not be required to, seek enforcement of the Declaration. Any Unit Owner who seeks enforcement of this Declaration shall by his actions be deemed to have indemnified the Developer and the Association from all liabilities resulting from his actions. Should the party seeking enforcement be the prevailing party in any action, then the person against whom enforcement has been sought shall pay all costs and reasonable attorneys' fees at all trial and appellate levels to the prevailing party.

ARTICLE XVI

AMENDMENTS

1. Amendment Date. Until the closing of the first conveyance of an Unit by Developer to an owner, other than Developer, (Amendment Date), any amendment may be made by Developer with consent of any mortgagee who has advanced funds for construction or who is under contract to advance construction funds, if any.

2. Consent of Mortgagee. With the exception of Subsequent Amendments, which may be made at any time; after the Amendment Date, this Declaration may be amended only by consent of fifty-one

percent (51%) of all Unit owners together with the consent of the institutional mortgagee with the highest aggregate mortgage indebtedness on the Units. The aforementioned consent shall be in writing and affixed to the Amendment to this Declaration.

3. Limitation on Amendments. No amendment to the Article entitled "Assessments" or the Article entitled "Enforcement and Establishment of Liens", and no other amendment shall be effective which shall, in a material fashion impair or prejudice the rights or priorities of any owner, the Developer, or any institutional mortgagee under this Declaration without the specific written approval of the owner, the Developer or institutional mortgagee affected thereby. In addition, any amendment which would affect the drainage or surface water management system must have the prior approval of the South Florida Water Management District.

4. Scrivener's Errors. Prior to the transfer date, the Developer may amend this Declaration in order to correct a scrivener's error or other defect or omission without the consent of the owners or the Board; provided that such amendment is reasonable and does not adversely affect in a material manner an owner's property rights. This amendment shall be signed by the Developer alone and a copy of the amendment shall be furnished to each owner, the Association and all institutional mortgagees as soon after recording thereof amongst the public records of the County, as is practicable.

5. Effective Date of Amendments. An amendment to the Declaration shall become effective upon the recordation amongst the public records of the County.

ARTICLE XVII

CONVEYANCES

In order to assure a community of congenial residents and thus protect the value of the Units in Hammock Reserve, the sale or lease of Units shall be subject to the following provisions:

1. Notice to Association. The Unit Owner shall notify the Association in writing of his or her intention to sell or lease his or her Unit and furnish with such notification a copy of the contract for purchase and sale or a copy of the lease, whichever is applicable. Except as provided below, it is not the intention of this Article to grant to the Association a right of approval or disapproval of purchasers or lessees. It is, however, the intent of this paragraph to impose an affirmative duty on the Unit Owners

to keep the Association fully advised of any changes in occupancy or ownership for the purposes of facilitating the management of the Association's membership records. As this Article is a portion of the Declaration which runs with the land, any transaction which is conducted without compliance with this Article may be voidable by the Association.

2. Lease Agreement Terms. Any and all lease agreements between an Owner and a lessee of such Owner shall be in writing, shall provide for a term of not less than four (4) months, and must provide that the lessee shall be subject in all respects to the terms and provisions of this Declaration and that any failure by the lessee under such lease agreement to comply with such terms and conditions shall be a material default and breach of the lease agreement. The lease agreement shall also state the party who will be responsible for the assessments as stated above, and it shall be the obligation of all Unit Owners to supply the Board with a copy of said written agreement prior to the lessee occupying the premises. Unless provided to the contrary in a lease agreement, an Unit Owner, by leasing his Unit, automatically delegates his right of use and enjoyment of the Common Areas and facilities to his lessee; and in so doing, said Owner relinquishes said rights during the term of the lease agreement.

3. Association Approval. Upon receipt of a copy of the contract for purchase and sale or a copy of the lease, the Association shall within ten (10) business days, issue a Certificate indicating the Association's approval of the transaction. In the event of a sale it shall then be the responsibility of the purchaser to furnish the Association with a recorded copy of the deed of conveyance indicating the owner's mailing address for all future assessments and other correspondence from the Association. Provided, however, prior to the issuance by the Association of a Certificate indicating the Association's approval of the transaction, the purchaser or lessee shall be required to agree to comply with the Rules and Regulations of the Association.

4. Delinquent Unit Owners. Notwithstanding the provisions above, in the event that an Unit Owner is delinquent in paying any assessment, or the Owner or his buyer, family, guests, agents, licensees or invitees are not in compliance with any provisions of the Homeowners Documents, the Association has the right to disapprove of any sale; and in the case of a lease, the right to disapprove of and to void any lease at any time prior to or during the leasehold tenancy until any delinquent assessment is paid and/or until any violation of the Homeowners Documents is

corrected.

ARTICLE XVIII

TERMINATION

1. Consent to Termination. This Declaration may be terminated upon the affirmative written consent of eighty percent (80%) of all Unit Owners, and upon the affirmative written consent of all Institutional Mortgagees holding mortgages encumbering Units.

2. Termination Documents. If this Declaration is terminated in accordance herewith, it is hereby declared by the Developer, and each and every Owner of a Unit by acquiring title to his Unit covenants and agrees, that the termination documents shall require:

A. Use of Units. That all Units shall continue to be used solely as Single Family residences.

B. Common Areas. All Common Areas shall be owned and held in equal shares by the Unit Owners as tenants in common, and each Unit Owner shall remain obligated to pay his pro rata share of expenses to continually maintain the Common Areas.

3. Limitation on Termination. The Unit Owners and their grantees, successors, and assigns by acquiring title to a Unit covenant and agree that no termination of this Declaration shall be made for a period of twenty-five (25) years from the date of recordation of this Declaration. This Declaration and the terms, provisions, conditions, covenants, restrictions, reservations, regulations, burdens and liens contained herein shall run with and bind the subject property and inure to the benefit of Developer, the Association, the Owners, Institutional Mortgagees and their respective legal representatives, heirs, successors, and assigns for said period. After this period, the Declaration shall be automatically renewed and extended for successive periods of ten (10) years each unless at least one (1) year prior to the termination of such twenty-five (25) year term or any such ten (10) year extension there is recorded amongst the Public Records of the County, an instrument signed by at least eighty percent (80%) of all Institutional Mortgagees holding mortgages encumbering the Units agreeing to terminate this Declaration, upon which event this Declaration shall be terminated upon the expiration of twenty-five (25) years or the ten (10) year extension thereof during which the termination instrument is recorded.

4. Drainage and Water Management System. If the Association is terminated, the property consisting of the drainage and water management system operated and maintained as part of the Common Areas shall be conveyed to an appropriate agency of local government, and if not accepted thereby, then it must be conveyed to a similar non-profit corporation.

ARTICLE XIX

PRESERVATION AREA

1. Maintenance of the Preservation Area. A portion of the Common Area has been designated as a Preservation Area. The Preservation Area shall be maintained by the Association pursuant to the terms of the Preserve Area Management Plan attached as Exhibit E, and the Surface Water Management Permit attached as Exhibit F. No construction, alteration, or destruction of the Preservation Area shall occur, except as specified in Exhibit E, and except as otherwise approved by the City of Delray Beach. The Association shall permit representatives of the City to inspect and monitor the Preservation Area upon reasonable notice. The costs of all maintenance expenses on such portions of the Preservation Area shall be assessed to the Members as a Common Expense.

2. Prohibited Activities. The following activities shall be prohibited in or on the Preservation Area:

A. Construction or placing of buildings, roads, signs, billboards or other advertising, utilities, or other structures on or above the ground;

B. Dumping or placing of soil or other substance or material as landfill, or dumping or placing of trash, waste, or unsightly or offensive materials;

C. Removal or destruction of trees, shrubs, or other vegetation, except for the removal of exotic vegetation;

D. Excavation, dredging, or removal of loam, peat, gravel, soil, rock, or other material substance in such manner as to affect the surface, or diking, or fencing;

E. Surface use except for purposes that permit the land or water area to remain predominantly in its natural condition, and which receive prior governmental approval;

F. Activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and

wildlife habitat preservation; or

G. Acts or uses detrimental to the retention of the Preservation Area.

ARTICLE XX

MISCELLANEOUS

1. No Waiver. The failure of the Developer, the Association, or any Owner to object to an Owner's or another person's failure to comply with the Covenants and Restrictions contained herein shall in no event be deemed a waiver of any right to object to same and to seek compliance therewith in accordance with the provisions herein.

2. Headings. Article and paragraph captions inserted throughout this Declaration are intended only as a matter of convenience and for reference only and in no way shall such captions or headings define, limit or in any way affect any of the terms and provisions of this Declaration.

3. Pronouns. Whenever the context requires, any pronoun used herein may be deemed to mean the corresponding masculine, feminine or neuter form thereof, and the singular form of any nouns or pronouns herein may be deemed to mean the corresponding plural form thereof and vice versa.

4. Severability. In the event any one of the provisions of this Declaration shall be deemed invalid by a court of competent jurisdiction, said judicial determination shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.

5. Partition. The Association may not convey, encumber, abandon, partition or subdivide any of the Common Areas without the approval of all Institutional Mortgagees.

6. Homeowners Documents. The Association is required to make available to Owners, to Institutional Mortgagees, and to holders, insurers or guarantors of any first mortgage, current copies of the Declaration, Articles of Incorporation, By-Laws, Rules and Regulations and other such documents governing the Association, as well as the books, records, and financial statements of the Association. "Available" shall be defined as obtainable for inspection, upon written request after reasonable notice, during normal business hours or under such other reasonable

circumstances. Any holder of a first mortgage shall be entitled, upon written request after reasonable notice, to a financial statement of the Association for the immediately preceding fiscal year.

IN WITNESS WHEREOF, the Declaration of Covenants and Restrictions for Hammock Reserve has been signed by the Developer and the Association on the day and year first above set forth. The Developer and the Association have caused these presents to be executed in their names and their corporate seals to be hereunto affixed by their duly authorized officers.

Any attempt to amend, alter, or rescind contrary to these prohibitions shall be of no force or effect.

ARTICLE XI

AMENDMENTS

1. Amendments Prior to Recording. Prior to the recording of the Declaration amongst the public records of the County, these Articles may be amended only by an instrument in writing signed by all of the Incorporators to these Articles and filed in the Office of the Secretary of State of the State of Florida. The instrument amending these Articles shall identify the particular Article or Articles being amended, give the exact language of such amendments, and a certified copy of each such amendment shall always be attached to any certified copy of these Articles.

2. Amendments After Recording. After the recording of the Declaration amongst the public records of the County, these Articles may be amended in the following manner:

A. Notice of the subject matter of the proposed amendment shall be included in the notice of any meeting (whether of the Board or of the Membership) at which such proposed amendment is to be considered; and

B. A resolution approving the proposed amendment may be first passed by either the Board or the Membership. After such approval of a proposed amendment by one of said bodies, such proposed amendment must be submitted to and approved by the other of said bodies. Approval by the Membership must be by a vote of a majority of the Members present at a meeting of the Members at which a quorum is present and approval by the Board must be by a majority of the Directors present at any meeting of the Directors at which a quorum is present.

3. Amendment by Reference to Title. No Article shall be revised or amended by reference to its title or number only. Proposals to amend existing Articles shall contain the full text of the Articles to be amended; new words shall be inserted in the text underlined, and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but instead a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial re-wording of Article. See Article _____ for present text." Non-material errors or omissions in the Article amendment process shall not invalidate an otherwise properly promulgated amendment.

4. Institutional Mortgagees. Notwithstanding the foregoing provisions of this Article, there shall be no amendment to these Articles which shall abridge, amend or alter the priority of any Institutional Mortgagee, or the validity of any mortgage held by such Institutional Mortgagee without the prior written consent therefor by such Mortgagee.

2. Principal Office. The initial office of the Association shall be located in Palm Beach County, Florida. The Association may have such other offices, either within or without the State of Florida, as the Board of Directors may determine or as the affairs of the Association may require.

3. Definitions. The words used in these By-Laws shall have the same meaning as set forth in the Declaration of Covenants and Restrictions for Hammock Reserve, ("Declaration"), unless the context shall prohibit.

ARTICLE II

ASSOCIATION: MEMBERSHIP, MEETINGS, QUORUM, VOTING, AND PROXIES

1. Membership. The qualification of Members, the manner of their admission to membership, and the termination of such membership shall be as set forth in the Articles.

2. Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as may be designated by the Board either within the Property or as convenient thereto as possible and practical.

3. Annual Meetings. The first meeting of the Members, whether a regular or special meeting, shall be held within one (1) year from the date of incorporation of the Association. Subsequent regular annual meetings shall be set by the Board so as to occur at least thirty (30) but not more than ninety (90) days after the close of the Association's fiscal year on a date and at a time set by the Board.

4. Special Meetings. Special meetings of the Membership shall be held at any place within the County, whenever called by

the President or Vice President or by a majority of the Board. In addition, it shall be the duty of the President to call a special meeting upon a petition signed by the Members representing at least ten (10%) percent of the total votes of the Association. The notice of any special meeting shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

5. Notice of Meetings. Written or printed notice stating the place, day, and hour of any meeting of the Members shall be delivered, either personally or by mail, to each Member entitled to vote at such meeting, not less than ten (10) nor more than sixty (60) days before the date of such meeting, by or at the direction of the President or the Secretary or the officers or persons calling the meeting. If mailed, the notice of the meeting shall be deemed to be delivered when deposited in the United States mail addressed to the Member at his address as it appears on the records of the Association. The post office certificate of mailing shall be retained as proof of such mailing. The notice shall be signed by an officer of the Association. In the case of a special meeting or when required by statute or these By-Laws, the purpose or purposes for which the meeting is called shall be stated in the notice.

6. Waiver of Notice. Waiver of notice of a meeting of the Members shall be deemed the equivalent of proper notice. Any Member may, in writing, waive notice of any meeting of the Members, either before or after such meeting. Attendance at a meeting by a Member or alternate shall be deemed waiver by such Member of notice of the time, date, and place thereof, unless such Member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting shall also be deemed waiver of notice of all business transacted thereat unless objection to the calling or convening of the meeting, of which proper notice was not given, is raised before the business is put to a vote.

7. Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, a majority of the Members who are present at such meeting, either in person or by alternate, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to

Members in the manner prescribed for regular meetings.

The Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, provided that Members or their alternates representing at least twenty-five (25%) percent of the total votes of the Association remain in attendance, and provided further that any action taken is approved by at least a majority of the Members required to constitute a quorum.

8. Voting. Each Unit shall be entitled to one (1) vote on any Association matter requiring a vote of the Members. The vote to which any Unit is entitled shall not be divisible, and shall be cast by the Member designated and entitled to cast the vote according to the terms and provisions of this Section. In no event shall more than one vote be cast with respect to any one Unit. Except as otherwise provided in this Article, each Member who is designated and entitled to cast the vote for any lot shall be named in a voting certificate signed by all Owners of such Unit and filed with the Association. In the event any such voting certificate is not filed with the Association, the vote to which such Unit is entitled shall not be considered in determining whether a quorum is present, or for any other purpose, and the total number of authorized votes in the Association shall be reduced accordingly until such certificate is filed, except if the Unit is owned jointly by a husband and wife. If the Unit is owned jointly by a husband and wife, the provisions of subsection (D) below shall be applicable. A voting certificate shall be valid until revoked by the Owners of, or until a transfer of title to, the Unit to which the voting certificate pertains.

Voting rights shall be established as follows:

A. In the event an Owner is one person, that person's right to vote shall be established by the recorded title to his Unit.

B. In the event a Unit is owned by more than one person or entity, those persons or entities shall sign a voting certificate designating one of them for the purpose of casting the vote that is appurtenant to their Unit.

C. In the event a Unit is owned by an entity, or an entity is designated as the Owner entitled to cast the vote for a Unit, such entity shall designate a partner, officer, fiduciary, or employee of the entity to cast the vote that is appurtenant to the Unit. The voting certificate for such Unit shall be signed by any

duly authorized partner or officer of the entity.

D. Notwithstanding anything to the contrary contained in these Bylaws, in the event a Unit is owned jointly by a husband and wife, the following provisions shall be applicable to the casting of the vote that is appurtenant to their Unit:

(i) The husband and wife may, but shall not be required to, designate one of them as the voting Member;

(ii) In the event the husband and wife do not designate either of them as the person entitled to cast the vote that is appurtenant to their Unit, and if both persons are present at any regular or special meeting of the Members and are unable to concur in their decision upon any subject requiring a vote of the Members, such husband and wife shall lose their right to vote on that particular subject at that particular meeting; and

(iii) In the event the husband and wife do not designate as the person entitled to cast the vote appurtenant to their Unit, and only one of them is present at any meeting, the Member present may cast the vote to which their Unit is entitled, without establishing the concurrence of the absent Member.

9. Proxies. "Proxy" is defined to mean an instrument containing the appointment of a person who is substituted by a Member to vote for him, and in the Member's place and stead. Proxies shall be in writing and shall be valid only for the particular meeting designated in the proxy and any adjournments of such meeting. In no event shall any proxy be valid for a period longer than 90 days after the date of the meeting designated in the proxy. A proxy must be filed with the Secretary before the appointed time of the meeting in order to be effective. Any proxy may be revoked prior to the time a vote is cast according to such proxy.

10. Majority. As used in these By-Laws, the term "Majority" shall mean those votes, owners, or other group as the context may indicate totaling more than fifty (50%) percent of the total number.

11. Quorum. Except as otherwise provided in these By-Laws or in the Declaration, the presence in person, by alternate, or by proxy of the Members representing one-third (1/3) of the total vote of the Association shall constitute a quorum at all meetings of the Association. Any provision in the Declaration concerning quorums is specifically incorporated herein. If any meeting of the Membership cannot be organized because a quorum is not in

attendance, the Members who are present, either in person or by Proxy, may adjourn the meeting from time to time until a quorum is present. In the case of the meeting being postponed, the notice provisions for the adjournment shall be as determined by the Board.

12. Conduct of Meetings. The President, or his designated alternate, shall preside over all meetings of the Association, and the Secretary, or his designated alternate, shall keep the minutes of the meeting, record in a minute book all resolutions adopted at the meeting, and record all transactions occurring at the meeting. Minutes of all meetings shall be kept in a businesslike manner and shall be available for inspection by the Members and the Board at all reasonable times.

13. Action Without A Meeting. Any action required by law to be taken at a meeting of the Members, or any action which may be taken at a meeting of the Members, may be taken by written agreement in lieu of a meeting, provided written notice of the matter or matters to be agreed upon is given to the Membership at the addresses and within the time periods set forth herein or duly waived in accordance herewith. The decision of the majority of the Membership (as evidenced by written response to be solicited in the notice) shall be binding on the Membership, provided a quorum of the Membership submits a response. The notice shall set forth a time period during which time a response must be made by a Member.

14. Voting Certificate and Ledger. All voting certificates shall be filed with the Secretary. The Secretary shall keep all voting certificates and shall prepare and maintain a ledger listing, by Unit, each Member who is designated to vote on behalf of such Unit.

15. Secret Ballot. At any time prior to a vote upon any matter at any meeting of Members, any Member may require that a vote be made by secret written ballot.

ARTICLE III

BOARD OF DIRECTORS: NUMBER, POWERS, AND MEETINGS

1. Composition and Selection.

A. Governing Body: Composition. The affairs of the Association shall be governed by a Board of Directors, each of whom shall have one (1) vote. After the Transfer Date, the Directors shall be Members or spouses of such Members; provided, however, no person and his or her spouse may serve on the Board at the same

time. In the case of an Owner which is a corporation or partnership, the person designated in writing to the secretary of the Association as the representative of such corporation or partnership shall be eligible to serve as a Director.

The initial Board shall consist of three (3) members as identified in the Articles. The Board shall determine the number of Directorships for the succeeding year at the Board meeting prior to the Annual Members' Meeting.

2. Nomination of Directors. Nominations for election to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall be appointed by the Board not less than thirty (30) days prior to each Annual Members' Meeting. The Directors shall hold office until their respective successors have been elected by the Association. Directors may be elected to serve any number of consecutive terms.

4. Removal of Directors and Vacancies.

A. A Director elected by the Membership may be removed from office for any reason deemed by the Members to be in the best interests of the Association, upon the affirmative vote or the agreement in writing of a majority of the Members at a special meeting of the Members. A meeting of Members to so remove a Director elected by them shall be held, subject to the notice provisions hereof, upon the written request of ten percent (10%) of the Members. However, before any Director is removed from office, he shall be notified in writing at least two (2) days prior to the meeting at which the motion to remove him will be made, and such Director shall be given an opportunity to be heard at such meeting, should he be present, prior to the vote on his removal.

B. The Members shall elect, at a special meeting or at the Annual Members' Meeting, persons to fill vacancies on the Board caused by the removal of a Director elected by the Members.

C. A Director designated by the Developer as provided in the Articles may be removed only by the Developer in its sole discretion and without any need for a meeting or vote. The Developer shall have the unqualified right to name a successor for any Director designated and thereafter removed by it or for any vacancy on the Board as to a Director designated by it, and the Developer shall notify the Board as to any such removal or vacancy and the name of the successor Director and of the commencement date for the term of such successor Director.

D. Any Director elected by the Membership who has three consecutive unexcused absences from Board meetings or who is delinquent in the payment of any assessment or other charge due the Association for more than thirty (30) days may be removed by a majority of the Directors present at a regular or special meeting at which a quorum is present, and a successor may be appointed by the Board to fill the vacancy for the remainder of the term. In the event of the death, disability, or resignation of a Director, a vacancy may be declared by the Board and it may appoint a successor.

5. Meetings.

A. Organization Meetings. The first meeting of the Board following each annual meeting of the Membership shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board. No further notice of the organizational meeting shall be necessary, providing that a quorum shall be present at such organizational meeting.

B. Regular Meetings. Regular meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the Directors. Notice of the time and place of the meeting shall be communicated to Directors not less than two (2) days prior to the meeting; provided, however, notice of a meeting need not be given to any Director who has signed a waiver or a written consent to holding of the meeting. Notice of any meeting where assessments against Members are to be considered for any reason shall specifically contain a statement that assessments will be considered and the nature of any such assessments.

C. Special Meetings. Special meetings of the Board shall be held when called by written notice signed by the President or Vice President of the Association or by any three (3) Directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each Director by one of the following methods: (a) by

personal delivery; (b) written notice by first class mail, postage prepaid; or (c) by telephone communication, either directly to the Director or to a person at the Director's office or home who would reasonably be expected to communicate such notice promptly to the Director. All such notices shall be given at the Director's telephone number or sent to the Director's address as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least two days (2) before the time set for the meeting. Notices given by personal delivery or telephone shall be delivered or telephoned at least twenty-four (24) hours before the time set for the meeting.

D. Waiver of Notice. The transactions of any meetings of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the Directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

E. Quorum of the Board. At all meetings of the Board, a majority of the Directors shall constitute a quorum for the transaction of business, and the votes of a majority of the Directors present at a meeting at which a quorum is present shall constitute the decision of the Board. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the Directors who are present at such meeting may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the date the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice. The notice provisions for the reconvened meeting shall be as determined by the Board.

F. Compensation. No Director shall receive any compensation from the Association for acting as such unless approved by Members representing a majority of the total vote of the Association at a regular or special meeting of the Association; provided any Director may be reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other

Directors.

G. Conduct of Meetings. The President shall preside over all meetings of the Board, and the Secretary shall keep a minute book of meetings of the Board, recording therein all resolutions adopted by the Board, and all transactions and proceedings occurring at such meetings. Minutes of all Board meetings shall be kept in a businesslike manner and shall be available for inspection by the Members and the Board at all reasonable times.

H. Open Meetings. Except for actions taken without a formal meeting, all meetings of the Board shall be open to all Members, but Members other than Directors may not participate in any discussions or deliberations unless permission to speak is requested on his or her behalf by a Director. In such case, the President may limit the time any Member may speak. In the event a Member not serving as a Director or not otherwise invited by the Directors to participate in the meeting attempts to become more than a mere observer at the meetings or conducts himself in a manner detrimental to the carrying on of the meeting, then any Director may expel said Member from the meeting by any reasonable means which may be necessary to accomplish said Member's expulsion. Also, any Director shall have the right to exclude from any meeting of the Board any person who is not able to provide sufficient proof that he is a Member, unless said person has been specifically invited by any of the Directors to participate in such meeting.

I. Action Without a Formal Meeting Any action to be taken at a meeting of the Directors or any action that may be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors, and such consent shall have the same force and effect as a unanimous vote.

6. Powers and Duties. The Board shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not by the Declaration, Articles, or these By-Laws directed to be done and exercised exclusively by the Members or the Membership generally.

The Board shall delegate to one of the Directors the authority to act on behalf of the Board on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board.

In addition to the duties imposed by these By-laws or by any resolution of the Association that may hereafter be adopted, the Board shall have the power to and shall be responsible for the following, in way of explanation, but not limitation:

B. Making assessments to defray the Common Expenses, establishing the means and methods of collecting such assessments, and establishing the period of the installment payments of the annual assessment; provided, unless otherwise determined by the Board, the annual assessment for each Member's proportionate share of the Common Expenses shall be payable in equal quarterly installments, each such installment to be due and payable in advance on the first day of each quarter for said quarter;

G. Opening of bank accounts on behalf of the Association and designating the signatories required;

N. Permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the Property.

7. Management Agent.

A. The Board may employ for the Association a professional management agent or agents at a compensation established by the Board to perform such duties and services as the Board shall authorize. The Board may delegate to the managing agent or manager, subject to the Board's supervision, all of the powers granted to the Board by these By-Laws, other than the powers set forth above. The Developer, or an affiliate of the Developer, may be employed as managing agent or manager.

B. No management contract may have a term in excess of one (1) year and must permit termination by either party without cause and without termination fee on not more than ninety (90) days written notice.

8. Accounts and Reports. The following management standards of performance will be followed unless the Board by resolution

specifically determines otherwise:

A. Accrual accounting, as defined by generally accepted accounting principles, shall be employed;

B. Accounting and controls should conform to the federal income tax basis of accounting;

C. Cash accounts of the Association shall not be commingled with any other accounts;

D. No remuneration shall be accepted by the managing agent from vendors, independent contractors, or others providing goods or services to the Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts, or otherwise; anything of value received shall benefit the Association;

E. Any financial or other interest which the managing agent may have in any firm providing goods or services to the Association shall be disclosed promptly to the Board;

F. Commencing at the end of the month in which the first Unit is sold and closed, financial reports shall be prepared for the Association at least quarterly containing:

(ii) A statement reflecting all cash receipts and disbursements for the preceding period;

(iii) A variance report reflecting the status of all accounts in an "actual" versus "approved" budget format;

(iv) A balance sheet as of the last day of the preceding period; and

(v) A delinquency report listing all Owners who are delinquent in paying the quarterly installments of assessments at the time of the report and describing the status of any action to collect such installments which remain delinquent (A quarterly installment of the assessment shall be considered to be delinquent on the fifteenth (15th) day of the first month of each quarter unless otherwise determined by the Board of Directors).

9. Borrowing. The Board shall have the power to borrow money for the purpose of maintenance, repair or restoration of the

Common Areas without the approval of the Members. The Board shall also have the power to borrow money for other purposes; provided, the Board shall obtain Member approval in the same manner provided in the Declaration for special assessments in the event that the proposed borrowing is for the purpose of modifying, improving, or adding amenities and the total amount of such borrowing exceeds or would exceed five (5%) percent of the budgeted gross expenses of the Association for that fiscal year.

10. Rights of the Association. In accordance with the Articles and By-Laws, the Association shall have the right to contract with any person for the performance of various duties and functions. Such agreements shall require the consent of a majority of all the Directors.

11. Enforcement. The Board shall have the power to impose reasonable fines, which shall constitute a lien upon the property of the violating Owner, and to suspend an Owner's right to vote for violation of any duty imposed under the Declaration, these By-Laws, or any rules and regulations duly adopted hereunder; provided, however, nothing herein shall authorize the Association or the Board of Directors to limit ingress and egress to or from a Unit or to suspend an Owner's right to vote for nonpayment of assessments. In the event that any occupant of a Unit violates the Declaration, By-Laws, or a rule or regulation and a fine is imposed, the fine shall first be assessed against the occupant; provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Association. The failure of the Board to enforce any provision of the Declaration, By-Laws, or any rule or regulation shall not be deemed a waiver of the right of the Board to do so thereafter.

A. Notice. Prior to imposition of any sanction hereunder, the Board or its delegate shall serve the alleged violator with written notice describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than ten (10) days within which the alleged violator may present a written request to the Covenants Committee, if any, or Board of Directors for a hearing; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within ten (10) days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed.

B. Hearing. If a hearing is requested in a timely manner, the hearing shall be held by the body seeking to impose the sanction affording the Owner a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of

proper notice shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, Director, or delegate who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed. The Board or the Covenants Committee may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within the ten (10) day period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any person.

C. Appeal. Following a hearing before the Covenants Committee, the violator shall have the right to appeal the decision to the Board. To perfect this right, a written notice of appeal must be received by the manager, President or Secretary of the Association within thirty (30) days after the hearing before the Covenants Committee.

D. Additional Enforcement Rights. Notwithstanding anything to the contrary herein contained, the Association, acting through the Board, may elect to enforce any provision of the Declaration, these By-Laws, or the rules and regulations of the Association by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Owner or occupant responsible for the violation of which abatement is sought shall pay all costs, including reasonable attorney's fees actually incurred.

ARTICLE IV

OFFICERS

1. Officers. Executive officers of the Association shall be the President, who shall be a Director, one or more Vice Presidents, a Treasurer, and a Secretary, all of whom shall be elected annually by the Board. Any officer may be removed without cause from office by vote of the Directors at any meeting of the Board. The Board shall, from time to time, elect such other officers and designate their powers and duties as the Board shall find to be required to manage the affairs of the Association.

This provision shall preclude the Board from employing an officer as an employee of the Association or preclude the contracting with an officer for the management of the Association.

A. The President, who shall be a Director, shall be the chief executive officer of the Association. He shall have all of the powers and duties which are usually vested in the office of the President of a corporation not-for-profit including, but not limited to, the power to appoint committees from among the Members at such times as he may, in his discretion, determine appropriate to assist in conducting the affairs of the Association. He shall preside at all meetings of the Board and the Membership.

Preserve Area Management Plan

INTRODUCTION

The following plan has been provided by the Owner/Developer of Hammock Reserve. Section I outlines the responsibilities of the Owner/Developer, its successor or assigns, the initial environmental assessment of the site and the delineation of upland area required to be set aside pursuant to the Land Development Regulation of the City of Delray Beach.

The following management plan shall be used to govern all activities or concerns relating to the upland Hammock Preserve area noted on the Final Site Plan for Hammock Reserve, City of Delray Beach Florida. The plan will conform to the City of Delray Beach Land Development Regulation and Comprehensive Plan objectives regarding preservation and incorporation of native plant ecosystems into residential development. The Preserve Area Management Plan (PAMP) cannot be changed without the approval of City of Delray Beach.

The goal of this plan is to assure the continued and/or increased viability of all preservation zones within the development during construction and post-construction activities. The following information will address preservation areas and concerns common to each.

This management plan is required pursuant to the City of Delray Beach whenever upland preserve areas are identified on a site proposed for development.

PART I

DEVELOPER'S RESPONSIBILITIES

A. Site Data

The following includes information on site characteristics, upland habitat and soils.

1. Vegetative Characteristics

The proposed Hammock Reserve development site is located on the South side of Linton Boulevard East of Military Trail in the City of Delray Beach, Florida. The existing land use on the site, formerly known as Blood's Grove, primarily consists of orange groves. The actual citrus processing and sales facility is located on an approximate 10.27 acre parcel adjacent to the northeast of the subject property. At present, the citrus groves are not utilized for processing and apparently left unmaintained.

Furthermore, the site remains clear of native vegetation, with the exception of a dedicated open space "Oak Hammock" preserve. This preserve area, comprising of 3.81 acres, is centrally located within the 83.8 acre subject property. It appears to have been left undisturbed from the start of the citrus grove agricultural practices. Some exotic vegetation infestation has occurred around the edges of the preserve, but for the most part, the Hammock is thriving in its natural state.

Upland Habitat:

The upland preserve area indicated on the Hammock Reserve Final Site Plan is representative of the natural plant associations found within the various vegetative community on site and generally include the following plant species:

Oak Hammock

The dominant vegetative upland cover is Live Oaks. The Live Oak canopy is relatively open. Other canopy species include Cabbage Palm (*Sabal palmetto*), Laurel Oak (*Quercus laurifolia*), Slash Pine, (*Pinus elliottii*), Red Bay (*Persea borbonia*). The understory is interspersed with openings and trails utilized as wildlife corridors. The understory is dominated by Saw Palmetto. Other understory vegetation includes a mixture of Gallberry (*Ilex glabra*), Wax Myrtle (*Myrica carifera*), Coco Plum (*Chrysobalaris icaco*), Giant Air Plant (*Tillandsia utriculata*), Brazilian Pepper (*Schinus terbenhthefolus*), Marlberry (*Ardisia escallonooides*), Wild Coffee (*Psychotria nervosa*), Beauty Berry (*Callicarpa americana*), White Stopper (*Eugenia axillaris*), Elderberry (*Sambucus canadensis*), and Myrsine (*Rapanea punctata*). Ground cover species include Wiregrass, Swamp Fern (*Blechnum serrulatum*), Greenbriar (*Smilax sp.*), Wild Grape (*Vitis rotundifolia*), Leatherleaf Fern (*Acrostichum danaeifolium*), Boston Fern (*Nephrolepis exaltata*), String Lily (*Crinum americanum*), Virginia Creeper (*Parthenocissus quinquefolia*). The most common weedy species include Caesar's Weed (*Urena lobata*), Beggar Tick (*Bidens alba*), Broomweed (*Sida acuta*), and Wild Taro (*Calocasia esulentum*).

Overall, the Hammock community is good quality habitat with very little exotic species infestation except for Brazilian Pepper on the edges. The vegetation associated with this preserve is best described as a Mixed Hardwood/Pine Hammock that is dominated by both Tropical Hammock and Mixed Hardwood Swamp species. It also appears that shallow ditching occurs along the entire perimeter of the preserve with increased amounts of exotic infestation. The parcel is used as a sanctuary for wildlife habitat within the property.

The extent of exotic plant infestation throughout the site is minimal. Although exotic plant species will require removal as a condition of site plan approval, an extensive exotic plant eradication program or native habitat restoration plan is not necessary to manage the designated preserve areas in accordance with the City of Delray Beach.

Listed Species Survey

A listed species survey was conducted July, 1996. Five species listed by the State of Florida, or the United States Fish & Wildlife Service were observed on the proposed development parcel. Numerous bromeliads and ferns were observed on the site. It should be noted that F.S. 581.185 generically designates most of the state's native species of bromeliads, ferns and orchids as threatened. The five species are as follows:

- Cabbage Palm Fern (*Phlebodium aureum*) - Threatened, FDA
- Whisk Fern (*Psilotum nudum*) - Threatened, FDA
- Shoestring Fern (*Vittaria lineata*) - Threatened, FDA
- Giant Leatherleaf Fern (*Acrostichum danaeifolium*) - Threatened, FDA
- Royal Palm (*Roystonea elata*) - Endangered, FDA, CI, USFWJ

2. Design Concept

The Owner/Developer of Hammock Reserve recognizes the natural scenic and habitat value of the native upland habitats on site. The Hammock Reserve Final Site Plan has been designed to effectively protect the wildlife value of the upland preserve area. To this

end, the designated upland preserve has been massed contiguous to the proposed ± 0.50 acre recreation parcel.

The utilization of the upland preserve area by wildlife will be maintained and improved in conjunction with the Site Development Plan. As required by the City of Delray Beach, the Developer has agreed to eradicate and manage the encroachment of exotic vegetation and manage the upland preserve area in accordance with the guidelines set forth in the PAMP. These management practices are intended to improve the potential utilization of these areas by various types of wildlife.

3. Upland Preserve Requirements

According to the City of Delray Beach Land Development Regulation Section 4.6.16(D)(2) Preservation and Promotion of Existing Plant Communities: All existing plant communities on the site proposed for development shall be preserved when possible through their incorporation into the required open space. Existing plant communities that are specified to remain shall be preserved to the greatest extent possible with trees, understory and ground cover left intact and undisturbed, except of the eradication of prohibited plant species.

Subsection (b) Portion of Native Communities to Remain: further states that when natural plant communities occur on a parcel of land which is to be developed, at least twenty-five percent (25%) of the required open space must be in the form of preserved native plant material.

The subject parcel, as proposed, contains approximately 3.81 acres of upland preserve area to be utilized for compliance of the required twenty five percent (25%) within the Planned Residential Development. This is in excess to the minimum required amount of .95 acres.

4. Soil Characteristics

The following soil description is found to underlie the designated preserve area exclusively.

BM- Basinger and Myakka sands, depressional. These are nearly level, very poorly drained, sandy soils in shallow depressions. The depressions are small to large isolated ponds or poorly defined narrow drainageways that have many branches. Generally, Basinger soils make up about forty five percent (45%) of this complex. Both soils can occur separately or together. The water table is above the surface for three to nine (3-9) months or more in most years. (Soil Conservation Survey, 1978.)

Although the Soil Conservation Survey identifies the water table above the soil surface for 3 to 9 months in most years, this site's water levels have dropped nearly 9 feet due to the controlled drainage over the past 50 years.

B. Scope of Work

Initial implementation and management of the upland preserve area will be the responsibility of the Owner/Developer. After completion of all required improvements and recordation of each respective residential plat, the Hammock Reserve Homeowners Association (HOA) will assume responsibility for maintaining the upland preserve.

Pursuant to Florida Game and Freshwater Fish Commission (FGFWFC) requirements, property owners are advised to evaluate the preserve for gopher tortoise burrows prior to

exotic clearing. If gopher tortoise burrows are encountered, the property owner must contract with a permitted agent of the FGFWFC to relocate the gopher tortoise to designated preserve areas on site. However, at this time no evidence of gopher-tortoise activity was observed.

Prohibited activities in the preserve area include construction or placing of building materials on or above the ground, dumping or placing soil or other substances such as garbage, trash and cuttings; removal or destruction of native trees, shrubs or ground covers; excavation, dredging or removal of soil material; diking or fencing; recreational vehicle use; and any other activities detrimental to drainage, flood control, water conservation, erosion control, or wildlife habitat conservation or preservation.

C. Management Guidelines

The following management guidelines, applicable to the upland preserve area must be adhered to:

1. All exotic vegetation (e.g. Brazilian Pepper, Australian Pine, Melaleuca and Earleaf Acacia) must be removed manually without the use of heavy equipment. Remnant stumps must be treated with a contact herbicide to prevent regrowth.
2. Areas left significantly void of vegetation due to the removal of exotic vegetation or debris must be revegetated with appropriate native vegetation or sod. Replanting of native vegetation shall be determined at times of clearing. Clearing and replanting procedures are to be coordinated with the City of Delray Beach's Horticulturist. All invasive exotic vegetation internal to the preserve must be removed by hand.
3. All trash and debris must be removed and legally disposed.
4. All required grade changes must be engineered so that any cut or fill will meet existing grade without encroaching into the preserve area.
5. Passive recreation uses, such as nature trails and sitting areas within the preserve area shall be permitted in accordance with the provisions contained in the City of Delray Beach. In these cases, the Developer shall consult with the Planning and Zoning Department to ensure minimal disturbance of the native vegetation.
8. Prior to the commencement of construction in accordance with the approved construction plans, the actual locations of preserve area barricades, must be inspected by the City of Delray Beach Staff to ensure compliance with the protection guidelines established for the designated upland preserve area.
9. Periodic site inspections by the City of Delray Beach Environmental Staff or designee are required during construction and upon completion to ensure compliance with the specific conditions of this PAMP.
10. Buildings proposed to be located adjacent to the preserve area shall be setback a minimum of 10 feet to allow for construction and maintenance without encroaching into the preserve area or wetlands. All other structures (i.e. pools, sheds, decks, etc.) shall be setback a minimum of 5 feet.

- 11. The City of Delray Beach shall have the right to enforce the provisions of the PAMP through any available administrative or civil proceeding which may result in penalties, appropriate revegetation and other remedies as against any person, corporation or other entity in violation of any of the provisions of the PAMP.
- 12. The PAMP may not be revised without written approval from the City of Delray Beach.

D. Barricading

It is the responsibility of the developer to appropriately barricade all preserve areas and preserve easements pursuant to the City of Delray Beach's guidelines.

E. Transfer of Responsibilities

The Developer will be responsible for all requirements of Part II of the PAMP until such time as he transfers title and responsibility for implementing the PAMP to the HOA.

At such time that the responsibility for the preserve areas and lakes is transferred from the Developer to the HOA, the Developer will then enforce inspection and certification by an environmental professional, etc.

F. Schedule

Phase I

The Developer will conduct the first phase removal of exotic vegetation at the time of site clearing. At this time, the Developer will remove all exotic vegetation around the perimeter (fringe) of the Hammock area. Following the first phase clearing activities, the Developer will install siltation barriers around the Hammock to provide protection from runoff and blowing debris. Subsequent replanting of the significantly void areas within the Hammock boundaries will occur immediately after removal of exotics to aid in prevention of reestablishing invasive exotics.

Phase II

Concurrent with the land development of the residential areas adjacent to the Hammock, the Developer will remove all foreign debris and scattered prohibitive exotics from within the interior of the Hammock. Removal procedures within the interior will be done by hand. Any regrowth from the Phase I clearing activities will be treated at this time as well.

PART II - RESPONSIBILITIES OF THE HOA

(Please refer to Part I, Site Data, for site conditions prior to construction activities)

A. Prohibited Activities

Prohibited activities in Hammock preserve area include construction or placing of building materials on or above the ground, dumping or placing soil or other substances such as garbage, trash and cuttings; removal or destruction of native trees, shrubs or ground covers; excavation, dredging or removal of soil materials; diking or fencing; recreation vehicle use; and any other activities detrimental to drainage, flood control, water conservation, erosion control, or wildlife habitat conservation or preservation.

B. Gopher Tortoise Relocation on the Property

Pursuant to FGFWFC requirements, property owners are advised to evaluate the preserve area for Gopher Tortoise burrows prior to clearing. If Gopher Tortoise burrows are encountered, the HOA must contact with a permitted agent of the FGFWFC to relocate the Gopher Tortoise into designated preserve areas on site. At this present time, no evidence of gopher tortoise activity or activity at any listed comensal species was observed.

C. Management And Maintenance of The Upland Preservation Area

The management and maintenance of the upland preserve area must be in accordance with this plan. Management and maintenance activities must be performed by, or under the supervision of, a qualified environmental professional. Any other management or maintenance activity not specifically outlined in the is plan must be approved by the City of Delray Beach prior to the commencement of activities.

1. Exotic Vegetation Removal

The preserve area will be periodically inspected every six (6) months (January and July) to assess the extent of prohibitive exotic vegetation encroachment and foreign debris. Prohibitive exotic vegetation includes, but is not limited to, Brazilian Pepper, Australian Pine, Melaleuca, and Earleaf Acacia (*Acacia auriculiformis*). It is the responsibility of the HOA to maintain the upland preserve area and keep them free of exotic vegetation encroachment.

2. Setbacks

Buildings proposed to be located adjacent to the preserve area boundary must be set back a minimum of ten (10) feet to allow for construction and maintenance without encroaching into the preserve. All other structures (i.e. pools, sheds, decks, etc.) shall be set back a minimum of five (5) feet from the preserve area.

3. Preserve Area Augmentation

Volunteer planting and limited trimming of native vegetation (for safety and habitat management purposes only) within the upland preserve area by the HOA is permitted subject to the following conditions:

- A. The HOA must contact the City of Delray Beach for approval prior to any trimming activities or installation of plant material.
- B. The work must be performed by, or under the supervision of, a qualified environmental professional.
- C. No native vegetation may be removed or destroyed.
- D. Vegetation used for augmentation must consist of native species compatible with the preserved habitat type (see Representative Lists on Page Two of this report).

- E. All work must be in compliance with applicable United States Fish and Wildlife Service and/or FGFWFC permits.

4. City of Delray Beach

The City of Delray Beach shall have the right to enforce the provisions of the PAMP. Violation of the protective provisions of this Plan, or failure to manage the preserve area as directed in this Plan, may result in administrative enforcement.

 - a. IF NOTICE OF THE APPLICATION WAS PUBLISHED BY THE APPLICANT, within fourteen (14) days after mailing of the proposed agency action or
 - b. IF NOTICE OF THE APPLICATION WAS NOT PUBLISHED, within fourteen (14) days after receipt of actual notice.

A request for informal hearing shall be considered as a waiver of the right to request a formal section 120.57(1), F.S., hearing. A request for a section 120.57(1) F.S., formal hearing not in substantial compliance with the provisions of rule 40E-1.521, F.A.C., may be considered by the District as a request for informal hearing. If a petition for administrative hearing is not timely filed, the staff's proposed agency action will automatically mature into final agency action.
4. Pursuant to section 373.114, Florida Statutes, a party to the proceeding below may seek review of a Final Order rendered on the permit application before the Land and Water Adjudicatory Commission, as provided therein. Review under this section is initiated by filing a request for review with the Land and Water Adjudicatory Commission and serving a copy of the Department of Environmental Protection and any person named in the order within 20 days after rendering of the District's Order. However, when the order to be reviewed has state wide or regional significance, as determined by the Land and Water Adjudicatory Commission within 60 days after receipt of a request for review, the commission may accept a request for review from any affected person within 30 days after the rendering of the order. Review under section 373.114, Florida Statutes, is limited solely to a determination of consistency with the provisions and purposes of Chapter 373, Florida Statutes. This review is appellate in nature and limited to the record below.
5. A party who is adversely affected by final agency action on the permit application is entitled to judicial review in the District Court of Appeal pursuant to section 120.68, Florida Statutes, as provided therein. Review under Section 120.68, Florida Statutes in the District Court of Appeal is initiated by filing a petition in the appropriate District Court of Appeal in accordance with Florida rule of appellate Procedure 9.110. The Notice of Appeal must be filed within 30 days of the final agency action.
6. Section 373.617(2), Florida Statutes, provides:

Any person substantially affected by a final action of any agency with respect to a permit may seek review within 90 days of the rendering of such decision and request monetary damages and other relief in the circuit court in the judicial circuit in which the affected property is located; however, circuit court review shall be confined solely to determining whether final agency action is an unreasonable exercise of the state's police power constituting a taking without just compensation. Review of final agency action for the purpose of determining whether the action is in accordance with existing statutes or rules and based on component substantial evidence shall proceed in accordance with Chapter 120.
7. Please be advised that exhaustion of administrative remedies is generally a prerequisite to appeal to the District Court of Appeal or the seeking of Circuit Court review of final agency action by the District on the permit application. There are, however, exceptions to the exhaustion requirement. The applicant is advised to consult the case law as to the requirements of exhaustion exceptions.

(1) Initiation of formal proceedings shall be made by petition to the District. The term petition as used herein includes any application or other document which expresses a request for formal proceedings. Each petition should be printed, typewritten or otherwise duplicated in legible form on white paper or standard legal size. Unless printed, the impression shall be on one side of the paper only and lines shall be double-spaced and indented.

(2) All petitions filed under these rules shall contain:

- (a) The name and address of the District and the District's file or identification number, if known;
- (b) The name and address of the petitioner or petitioners;
- (c) An explanation of how each petitioner's substantial interests will be affected by the District's determination;
- (d) A statement of when and how petitioner received notice of the District's decision or intent to render a decision;
- (e) A statement of all disputed issues of material fact. If there are none, the petitioner must so indicate;
- (f) A concise statement of the ultimate facts which petitioner believes entitle petitioner to the relief sought as well as the rules and statutes which support petitioner's claim for relief;
- (g) A demand for the relief to which the petitioner deems himself entitled; and
- (h) Other information which the petitioner contends is material.

(3) Upon receipt of a petition for formal proceedings, the Office of Counsel shall review the petition for compliance with subsection (2). The Board shall accept those petitions in substantial compliance therewith, which have been timely filed, which establish that the petitioner is a substantially affected party, and which state a dispute which is within the jurisdiction of the District to resolve. If accepted, the Board shall designate the presiding officer of the administrative hearing. The District shall promptly give written notice to all parties of the action taken on the petition, and shall state with particularity its reasons therefor.

(4) If a petition is filed that does not substantially comply with the requirement of subsection (2) of this section, the District shall issue an order dismissing the petition with leave to file an amended petition complying with the requirements of this rule within the time period designated in the order. If an amended petition complying with this rule is not filed with the District Clerk within the designated time period, the petitioner's right to a processing under Section 120.57, Florida Statutes, is waived.

(5) If a valid petition is filed, with the consent of all parties and upon a showing of good cause, Board action on the petition pursuant to Section 120.57(1)(b) shall be waived. "Good cause" shall mean a set of circumstances unforeseen and outside of the control of the person requesting the waiver.

(6) When a valid petition for administrative hearing has been filed, the Board action shall defer consideration of the matter pending the completion of the administrative hearing and the submittal of a recommended order, and any exceptions to that order.

(7) If the Board designates a Hearing Officer assigned by the Division of Administrative Hearings as the presiding officer, the District Clerk shall forward the petition and all relevant materials filed with the District to the Division of Administrative Hearings, and shall notify all parties of its action.

GENERAL CONDITIONS

1. ALL ACTIVITIES AUTHORIZED BY THIS PERMIT SHALL BE IMPLEMENTED AS SET FORTH IN THE PLANS, SPECIFICATIONS AND PERFORMANCE CRITERIA AS APPROVED BY THIS PERMIT. ANY DEVIATION FROM THE PERMITTED ACTIVITY AND THE CONDITIONS FOR UNDERTAKING THAT ACTIVITY SHALL CONSTITUTE A VIOLATION OF THIS PERMIT AND PART IV, CHAPTER 373, F.S.
2. THIS PERMIT OR A COPY THEREOF, COMPLETE WITH ALL CONDITIONS, ATTACHMENTS, EXHIBITS, AND MODIFICATIONS SHALL BE KEPT AT THE WORK SITE OF THE PERMITTED ACTIVITY. THE COMPLETE PERMIT SHALL BE AVAILABLE FOR REVIEW AT THE WORK SITE UPON REQUEST BY THE DISTRICT STAFF. THE PERMITTEE SHALL REQUIRE THE CONTRACTOR TO REVIEW THE COMPLETE PERMIT PRIOR TO COMMENCEMENT OF THE ACTIVITY AUTHORIZED BY THIS PERMIT.
3. ACTIVITIES APPROVED BY THIS PERMIT SHALL BE CONDUCTED IN A MANNER WHICH DOES NOT CAUSE VIOLATIONS OF STATE WATER QUALITY STANDARDS. THE PERMITTEE SHALL IMPLEMENT BEST MANAGEMENT PRACTICES FOR EROSION AND POLLUTION CONTROL TO PREVENT VIOLATION OF STATE WATER QUALITY STANDARDS. TEMPORARY EROSION CONTROL SHALL BE IMPLEMENTED PRIOR TO AND DURING CONSTRUCTION, AND PERMANENT CONTROL MEASURES SHALL BE COMPLETED WITHIN 7 DAYS OF ANY CONSTRUCTION ACTIVITY. TURBIDITY BARRIERS SHALL BE INSTALLED AND MAINTAINED AT ALL LOCATIONS WHERE THE POSSIBILITY OF TRANSFERRING SUSPENDED SOLIDS INTO THE RECEIVING WATERBODY EXISTS DUE TO THE PERMITTED WORK. TURBIDITY BARRIERS SHALL REMAIN IN PLACE AT ALL LOCATIONS UNTIL CONSTRUCTION IS COMPLETED AND SOILS ARE STABILIZED AND VEGETATION HAS BEEN ESTABLISHED. ALL PRACTICES SHALL BE IN ACCORDANCE WITH THE GUIDELINES AND SPECIFICATIONS DESCRIBED IN CHAPTER 6 OF THE FLORIDA LAND DEVELOPMENT MANUAL; A GUIDE TO SOUND LAND AND WATER MANAGEMENT (DEPARTMENT OF ENVIRONMENTAL REGULATION, 1988), INCORPORATED BY REFERENCE IN RULE 40E-4.091, F.A.C. UNLESS A PROJECT-SPECIFIC EROSION AND SEDIMENT CONTROL PLAN IS APPROVED AS PART OF THE PERMIT. THEREAFTER THE PERMITTEE SHALL BE RESPONSIBLE FOR THE REMOVAL OF THE BARRIERS. THE PERMITTEE SHALL CORRECT ANY EROSION OR SHOALING THAT CAUSES ADVERSE IMPACTS TO THE WATER RESOURCES.
4. THE PERMITTEE SHALL NOTIFY THE DISTRICT OF THE ANTICIPATED CONSTRUCTION START DATE WITHIN 30 DAYS OF THE DATE THAT THIS PERMIT IS ISSUED. AT LEAST 48 HOURS PRIOR TO COMMENCEMENT OF ACTIVITY AUTHORIZED BY THIS PERMIT, THE PERMITTEE SHALL SUBMIT TO THE DISTRICT AN ENVIRONMENTAL RESOURCE PERMIT CONSTRUCTION COMMENCEMENT NOTICE FORM NO. 0960 INDICATING THE ACTUAL START DATE AND THE EXPECTED COMPLETION DATE.
5. WHEN THE DURATION OF CONSTRUCTION WILL EXCEED ONE YEAR, THE PERMITTEE SHALL SUBMIT CONSTRUCTION STATUS REPORTS TO THE DISTRICT ON AN ANNUAL BASIS UTILIZING AN ANNUAL STATUS REPORT FORM. STATUS REPORT FORMS SHALL BE SUBMITTED THE FOLLOWING JUNE OF EACH YEAR.
6. WITHIN 30 DAYS AFTER COMPLETION OF CONSTRUCTION OF THE PERMITTED ACTIVITY, THE PERMITTEE SHALL SUBMIT A WRITTEN STATEMENT OF COMPLETION AND CERTIFICATION BY A REGISTERED PROFESSIONAL ENGINEER OR OTHER APPROPRIATE INDIVIDUAL AS AUTHORIZED BY LAW, UTILIZING THE SUPPLIED ENVIRONMENTAL RESOURCE PERMIT CONSTRUCTION COMPLETION/CONSTRUCTION CERTIFICATION FORM NO.0881. THE STATEMENT OF COMPLETION AND CERTIFICATION SHALL BE BASED ON ONSITE OBSERVATION OF CONSTRUCTION OR REVIEW OF ASBUILT DRAWINGS FOR THE PURPOSE OF DETERMINING IF THE WORK WAS COMPLETED IN COMPLIANCE WITH PERMITTED PLANS AND SPECIFICATIONS. THIS SUBMITTAL SHALL SERVE TO NOTIFY THE DISTRICT THAT THE SYSTEM IS READY FOR INSPECTION. ADDITIONALLY, IF DEVIATION FROM THE APPROVED DRAWINGS ARE DISCOVERED DURING THE CERTIFICATION PROCESS, THE CERTIFICATION MUST BE ACCOMPANIED BY A COPY OF THE APPROVED PERMIT DRAWINGS WITH DEVIATIONS NOTED. BOTH THE ORIGINAL AND REVISED SPECIFICATIONS MUST BE CLEARLY SHOWN. THE PLANS MUST BE CLEARLY LABELED AS "ASBUILT" OR "RECORD" DRAWING. ALL SURVEYED DIMENSIONS AND ELEVATIONS SHALL BE CERTIFIED BY A REGISTERED SURVEYOR.
7. THE OPERATION PHASE OF THIS PERMIT SHALL NOT BECOME EFFECTIVE: UNTIL THE PERMITTEE HAS COMPLIED WITH THE REQUIREMENTS OF CONDITION (6) ABOVE ~~EXHIBIT~~ F-1 SUBMITTED A REQUEST FOR CONVERSION OF ENVIRONMENTAL RESOURCE PERMIT FROM CONSTRUCTION PHASE TO OPERATION PHASE, FORM NO.0920; THE DISTRICT DETERMINES THE ~~PAGE 4~~ 19 PAGES

PROPOSED USE. THEREFORE, THE PERMITTEE IS RESPONSIBLE FOR OBTAINING ANY NECESSARY AUTHORIZATIONS FROM THE BOARD OF TRUSTEES PRIOR TO COMMENCING ACTIVITY ON SOVEREIGNTY LANDS OR OTHER STATE-OWNED LANDS.

13. THE PERMITTEE MUST OBTAIN A WATER USE PERMIT PRIOR TO CONSTRUCTION DEWATERING, UNLESS THE WORK QUALIFIES FOR A GENERAL PERMIT PURSUANT TO SUBSECTION 40E-20.302(4), F.A.C., ALSO KNOWN AS THE "NO NOTICE" RULE.
14. THE PERMITTEE SHALL HOLD AND SAVE THE DISTRICT HARMLESS FROM ANY AND ALL DAMAGES, CLAIMS, OR LIABILITIES WHICH MAY ARISE BY REASON OF THE CONSTRUCTION, ALTERATION, OPERATION, MAINTENANCE, REMOVAL, ABANDONMENT OR USE OF ANY SYSTEM AUTHORIZED BY THE PERMIT.
15. ANY DELINEATION OF THE EXTENT OF A WETLAND OR OTHER SURFACE WATER SUBMITTED AS PART OF THE PERMIT APPLICATION, INCLUDING PLANS OR OTHER SUPPORTING DOCUMENTATION, SHALL NOT BE CONSIDERED BINDING UNLESS A SPECIFIC CONDITION OF THIS PERMIT OR A FORMAL DETERMINATION UNDER SECTION 373.421(2), F.S., PROVIDES OTHERWISE.
16. THE PERMITTEE SHALL NOTIFY THE DISTRICT IN WRITING WITHIN 30 DAYS OF ANY SALE, CONVEYANCE, OR OTHER TRANSFER OF OWNERSHIP OR CONTROL OF A PERMITTED SYSTEM OR THE REAL PROPERTY ON WHICH THE PERMITTED SYSTEM IS LOCATED. ALL TRANSFERS OF OWNERSHIP OR TRANSFERS OF A PERMIT ARE SUBJECT TO THE REQUIREMENTS OF RULES 40E-1.6105 AND 40E-1.6107, F.A.C. THE PERMITTEE TRANSFERRING THE PERMIT SHALL REMAIN LIABLE FOR CORRECTIVE ACTIONS THAT MAY BE REQUIRED AS A RESULT OF ANY VIOLATIONS PRIOR TO THE SALE, CONVEYANCE OR OTHER TRANSFER OF THE SYSTEM.
17. UPON REASONABLE NOTICE TO THE PERMITTEE, DISTRICT AUTHORIZED STAFF WITH PROPER IDENTIFICATION SHALL HAVE PERMISSION TO ENTER, INSPECT, SAMPLE AND TEST THE SYSTEM TO INSURE CONFORMITY WITH THE PLANS AND SPECIFICATIONS APPROVED BY THE PERMIT.
18. IF HISTORICAL OR ARCHAEOLOGICAL ARTIFACTS ARE DISCOVERED AT ANY TIME ON THE PROJECT SITE, THE PERMITTEE SHALL IMMEDIATELY NOTIFY THE APPROPRIATE DISTRICT SERVICE CENTER.
19. THE PERMITTEE SHALL IMMEDIATELY NOTIFY THE DISTRICT IN WRITING OF ANY PREVIOUSLY SUBMITTED INFORMATION THAT IS LATER DISCOVERED TO BE INACCURATE.

PERMIT SUMMARY SHEET

APPLICATION NUMBER: 961203-6

LOCATION: PALM BEACH COUNTY, S25/T46S/R42E

OWNER: HAMMOCK RESERVE DEVELOPMENT CORP.

ENGINEER: MICHAEL B SCHORAH & ASSOCIATES INC

PROJECT AREA: 83.80 ACRES DRAINAGE AREA: 93.45 ACRES

PROJECT USE: RESIDENTIAL

FACILITIES:

1. EXISTING: The 83.8 acre site is located on the east side of Military Trail, south of Linton Boulevard, immediately north of LWDD L-37 Canal and immediately south of LWDD L-36 Canal, in Delray Beach.

A previously permitted school (Permit No. 50-03353-S) is located north of this project and discharges south into an existing retention area. On the west is Citation Club PUD which discharges south to LWDD L-37 Canal via a temporary ditch and control structure. Fox Chase, a residential subdivision east of Hammock Reserve, drains south to the LWDD L-37 Canal.

There are no existing surface water management permits nor facilities for the proposed project site.

2. PROPOSED: The applicant proposes phased construction of a residential subdivision, recreation area, and surface water management system. This permit application is for the initial phase to include the backbone surface water management system, roadways, home model center, and 23 residential building lots.

The surface water management system consists of interconnected lakes, catch basins and curb inlets, and a single control structure discharging south to the LWDD L-37 Canal. Offsite flows from Citation Club to the north currently utilizes a temporary ditch and control structure to discharge to the L-37 Canal. The existing control structure will continue to be used but the temporary ditch will be filled and replaced with drainage pipe. A Drainage and Flowage Easement has been recorded for this outfall.

Offsite flows from the existing school to the north currently drains to an existing detention area. This detention area will be incorporated into the Hammock Reserve SWM system as originally designed in the school permit (Permit No. 50-03353-S). An executed Drainage Easement Deed has been recorded for this purpose. The

drainage area of 93.45 acres includes 15.93 acres for the school site but does not include 6.28 acres of LWDD right-of-way area.

Any additional construction to this project will require a permit modification.

PROJECT SITE DESCRIPTION:

The 83.8 acre project site is located on the east side of Military Trail, south of Linton Boulevard in Delray Beach. The majority of the site (80.0 acres) contains existing citrus groves, while the remaining 3.8 acres contains an oak hammock community which the City of Delray Beach is requiring to be preserved as part of the proposed development.

PERMIT SUMMARY SHEET

ENDANGERED, THREATENED & SPECIES OF SPECIAL CONCERN SUMMARY:

The project site does not contain preferred habitat for endangered, threatened, or species of special concern. No endangered/threatened or species of special concern were observed on site, and potential use of the site by endangered/threatened or species of special concern use of the site is considered to be minimal. This permit does not relieve the applicant from complying with all applicable rules and any other agencies' requirements if in the future, endangered/threatened or species of special concern are discovered on the site.

ENVIRONMENTAL SUMMARY:

There are no wetlands present at the site. Therefore, adverse impacts to wetlands are not anticipated as a result of the proposed development of the site.

The proposed activities have been evaluated for potential secondary and cumulative impacts and to determine if the project is contrary to the public interest. Based upon the proposed project design, the District has determined that the project will not cause adverse secondary or cumulative impacts to the water resources and is not contrary to the public interest.

APPLICABLE LAND USE:

This application is for construction of Phase I only. Any additional construction will require a permit modification.

**GENERAL PERMIT
NOTICE OF RIGHTS**

This Notice of Rights is intended to inform the recipient of the administrative and judicial review which may be available as mandated by section 120.60(3), Florida Statutes. Be advised that although this notice is intended to be comprehensive, the review procedures set forth herein have been the subject of judicial construction and interpretation which may affect the administrative or judicial review available. Recipients are therefore advised to become familiar with Chapters 120 and 373, Florida Statutes, and the judicial interpretation of the provisions of these chapters.

1. If a substantially affected person objects to the staff's recommendation, that person has the right to request an administrative hearing on the proposed agency action. The substantially affected person may request either a formal or an informal hearing, as set forth below. Failure to comply with the prescribed time periods shall constitute a waiver of the right to a hearing.
2. If a substantially affected person believes a genuine issue of material fact is in dispute, that person may request a formal hearing pursuant to section 120.57(1), Florida Statutes, by filing a petition not later than:
 - a. IF NOTICE OF THE APPLICATION WAS PUBLISHED BY THE APPLICANT, within fourteen (14) days after mailing of the proposed agency action or
 - b. IF NOTICE OF THE APPLICATION WAS NOT PUBLISHED, within fourteen (14) days after receipt of actual notice.

The request for a section 120.57(1), F.S., formal hearing must comply with the requirements of Rule 40E-1.521, Florida Administrative Code, a copy of which is attached. Petitions are deemed filed upon receipt by the District. Failure to substantially comply with the provisions of Rule 40E-1.521, Florida Administrative Code, shall constitute a waiver of the right to a 120.57(1) hearing. If a petition for administrative hearing is not timely filed, the staff's proposed agency will automatically mature into final agency action.
3. If a substantially affected person believes that no issues of material fact are in dispute, that person may request an informal hearing pursuant to section 120.57(2), F.S., by filing a petition for hearing not later than:
 - a. IF NOTICE OF THE APPLICATION WAS PUBLISHED BY THE APPLICANT, within fourteen (14) days after mailing of the proposed agency action or
 - b. IF NOTICE OF THE APPLICATION WAS NOT PUBLISHED, within fourteen (14) days after receipt of actual notice.

A request for informal hearing shall be considered as a waiver of the right to request a formal section 120.57(1), F.S., hearing. A request for a section 120.57(1) F.S., formal hearing not in substantial compliance with the provisions of rule 40E-1.521, F.A.C., may be considered by the District as a request for informal hearing. If a petition for administrative hearing is not timely filed, the staff's proposed agency action will automatically mature into final agency action.
4. Pursuant to section 373.114, Florida Statutes, a party to the proceeding below may seek review of a Final Order rendered on the permit application before the Land and Water Adjudicatory Commission, as provided therein. Review under this section is initiated by filing a request for review with the Land and Water Adjudicatory Commission and serving a copy of the Department of Environmental Protection and any person named in the order within 20 days after rendering of the District's Order. However, when the order to be reviewed has statewide or regional significance, as determined by the Land and Water Adjudicatory Commission within 60 days after receipt of a request for review, the commission may accept a request for review from any affected person within 30 days after the rendering of the order. Review under section 373.114, Florida Statutes, is limited solely to a determination of consistency with the provisions and purposes of Chapter 373, Florida Statutes. This review is appellate in nature and limited to the record below.
5. A party who is adversely affected by final agency action on the permit application is entitled to judicial review in the District Court of Appeal pursuant to section 120.68, Florida Statutes, as provided therein. Review under Section 120.68, Florida Statutes in the District Court of Appeal is initiated by filing a petition in the appropriate District Court of Appeal in accordance with Florida rule of appellate Procedure 9.110. The Notice of Appeal must be filed within 30 days of the final agency action.
6. Section 373.617(2), Florida Statutes, provides:

Any person substantially affected by a final action of any agency with respect to a permit may seek review within 90 days of the rendering of such decision and request monetary damages and other relief in the circuit court in the judicial circuit in which the affected property is located; however, circuit court review shall be confined solely to determining whether final agency action is an unreasonable exercise of the state's police power constituting a taking without just compensation. Review of final agency action for the purpose of determining whether the action is in accordance with existing statutes or rules and based on component substantial evidence shall proceed in accordance with Chapter 120.
7. Please be advised that exhaustion of administrative remedies is generally a prerequisite to appeal to the District Court of Appeal or the seeking of Circuit Court review of final agency action by the District on the permit application. There are, however, exceptions to the exhaustion requirement. The applicant is advised to consult the case law as to the requirements of exhaustion exceptions.

Initiation of Formal Proceedings

(1) Initiation of formal proceedings shall be made by petition to the District. The term petition as used herein includes any application or other document which expresses a request for formal proceedings. Each petition should be printed, typewritten or otherwise duplicated in legible form on white paper or standard legal size. Unless printed, the impression shall be on one side of the paper only and lines shall be double-spaced and indented.

(2) All petitions filed under these rules shall contain:

- (a) The name and address of the District and the District's file or identification number, if known;
- (b) The name and address of the petitioner or petitioners;
- (c) An explanation of how each petitioner's substantial interests will be affected by the District's determination;
- (d) A statement of when and how petitioner received notice of the District's decision or intent to render a decision;
- (e) A statement of all disputed issues of material fact. If there are none, the petitioner must so indicate;
- (f) A concise statement of the ultimate facts which petitioner believes entitle petitioner to the relief sought as well as the rules and statutes which support petitioner's claim for relief;
- (g) A demand for the relief to which the petitioner deems himself entitled; and
- (h) Other information which the petitioner contends is material.

(3) Upon receipt of a petition for formal proceedings, the Office of Counsel shall review the petition for compliance with subsection (2). The Board shall accept those petitions in substantial compliance therewith, which have been timely filed, which establish that the petitioner is a substantially affected party, and which state a dispute which is within the jurisdiction of the District to resolve. If accepted, the Board shall designate the presiding officer of the administrative hearing. The District shall promptly give written notice to all parties of the action taken on the petition, and shall state with particularity its reasons therefor.

(4) If a petition is filed that does not substantially comply with the requirement of subsection (2) of this section, the District shall issue an order dismissing the petition with leave to file an amended petition complying with the requirements of this rule within the time period designated in the order. If an amended petition complying with this rule is not filed with the District Clerk within the designated time period, the petitioner's right to a processing under Section 120.57, Florida Statutes, is waived.

(5) If a valid petition is filed, with the consent of all parties and upon a showing of good cause, Board action on the petition pursuant to Section 120.57(1)(b) shall be waived. "Good cause" shall mean a set of circumstances unforeseen and outside of the control of the person requesting the waiver.

(6) When a valid petition for administrative hearing has been filed, the Board action shall defer consideration of the matter pending the completion of the administrative hearing and the submittal of a recommended order, and any exceptions to that order.

(7) If the Board designates a Hearing Officer assigned by the Division of Administrative Hearings as the presiding officer, the District Clerk shall forward the petition and all relevant materials filed with the District to the Division of Administrative Hearings, and shall notify all parties of its action.

GENERAL CONDITIONS

1. ALL ACTIVITIES AUTHORIZED BY THIS PERMIT SHALL BE IMPLEMENTED AS SET FORTH IN THE PLANS, SPECIFICATIONS AND PERFORMANCE CRITERIA AS APPROVED BY THIS PERMIT. ANY DEVIATION FROM THE PERMITTED ACTIVITY AND THE CONDITIONS FOR UNDERTAKING THAT ACTIVITY SHALL CONSTITUTE A VIOLATION OF THIS PERMIT AND PART IV, CHAPTER 373, F.S.
2. THIS PERMIT OR A COPY THEREOF, COMPLETE WITH ALL CONDITIONS, ATTACHMENTS, EXHIBITS, AND MODIFICATIONS SHALL BE KEPT AT THE WORK SITE OF THE PERMITTED ACTIVITY. THE COMPLETE PERMIT SHALL BE AVAILABLE FOR REVIEW AT THE WORK SITE UPON REQUEST BY THE DISTRICT STAFF. THE PERMITTEE SHALL REQUIRE THE CONTRACTOR TO REVIEW THE COMPLETE PERMIT PRIOR TO COMMENCEMENT OF THE ACTIVITY AUTHORIZED BY THIS PERMIT.
3. ACTIVITIES APPROVED BY THIS PERMIT SHALL BE CONDUCTED IN A MANNER WHICH DOES NOT CAUSE VIOLATIONS OF STATE WATER QUALITY STANDARDS. THE PERMITTEE SHALL IMPLEMENT BEST MANAGEMENT PRACTICES FOR EROSION AND POLLUTION CONTROL TO PREVENT VIOLATION OF STATE WATER QUALITY STANDARDS. TEMPORARY EROSION CONTROL SHALL BE IMPLEMENTED PRIOR TO AND DURING CONSTRUCTION, AND PERMANENT CONTROL MEASURES SHALL BE COMPLETED WITHIN 7 DAYS OF ANY CONSTRUCTION ACTIVITY. TURBIDITY BARRIERS SHALL BE INSTALLED AND MAINTAINED AT ALL LOCATIONS WHERE THE POSSIBILITY OF TRANSFERRING SUSPENDED SOLIDS INTO THE RECEIVING WATERBODY EXISTS DUE TO THE PERMITTED WORK. TURBIDITY BARRIERS SHALL REMAIN IN PLACE AT ALL LOCATIONS UNTIL CONSTRUCTION IS COMPLETED AND SOILS ARE STABILIZED AND VEGETATION HAS BEEN ESTABLISHED. ALL PRACTICES SHALL BE IN ACCORDANCE WITH THE GUIDELINES AND SPECIFICATIONS DESCRIBED IN CHAPTER 6 OF THE FLORIDA LAND DEVELOPMENT MANUAL; A GUIDE TO SOUND LAND AND WATER MANAGEMENT (DEPARTMENT OF ENVIRONMENTAL REGULATION, 1988), INCORPORATED BY REFERENCE IN RULE 40E-4.091, F.A.C. UNLESS A PROJECT-SPECIFIC EROSION AND SEDIMENT CONTROL PLAN IS APPROVED AS PART OF THE PERMIT. THEREAFTER THE PERMITTEE SHALL BE RESPONSIBLE FOR THE REMOVAL OF THE BARRIERS. THE PERMITTEE SHALL CORRECT ANY EROSION OR SHOALING THAT CAUSES ADVERSE IMPACTS TO THE WATER RESOURCES.
4. THE PERMITTEE SHALL NOTIFY THE DISTRICT OF THE ANTICIPATED CONSTRUCTION START DATE WITHIN 30 DAYS OF THE DATE THAT THIS PERMIT IS ISSUED. AT LEAST 48 HOURS PRIOR TO COMMENCEMENT OF ACTIVITY AUTHORIZED BY THIS PERMIT, THE PERMITTEE SHALL SUBMIT TO THE DISTRICT AN ENVIRONMENTAL RESOURCE PERMIT CONSTRUCTION COMMENCEMENT NOTICE FORM NO. 0960 INDICATING THE ACTUAL START DATE AND THE EXPECTED COMPLETION DATE.
5. WHEN THE DURATION OF CONSTRUCTION WILL EXCEED ONE YEAR, THE PERMITTEE SHALL SUBMIT CONSTRUCTION STATUS REPORTS TO THE DISTRICT ON AN ANNUAL BASIS UTILIZING AN ANNUAL STATUS REPORT FORM. STATUS REPORT FORMS SHALL BE SUBMITTED THE FOLLOWING JUNE OF EACH YEAR.
6. WITHIN 30 DAYS AFTER COMPLETION OF CONSTRUCTION OF THE PERMITTED ACTIVITY, THE PERMITTEE SHALL SUBMIT A WRITTEN STATEMENT OF COMPLETION AND CERTIFICATION BY A REGISTERED PROFESSIONAL ENGINEER OR OTHER APPROPRIATE INDIVIDUAL AS AUTHORIZED BY LAW, UTILIZING THE SUPPLIED ENVIRONMENTAL RESOURCE PERMIT CONSTRUCTION COMPLETION/CONSTRUCTION CERTIFICATION FORM NO.0881. THE STATEMENT OF COMPLETION AND CERTIFICATION SHALL BE BASED ON ONSITE OBSERVATION OF CONSTRUCTION OR REVIEW OF ASBUILT DRAWINGS FOR THE PURPOSE OF DETERMINING IF THE WORK WAS COMPLETED IN COMPLIANCE WITH PERMITTED PLANS AND SPECIFICATIONS. THIS SUBMITAL SHALL SERVE TO NOTIFY THE DISTRICT THAT THE SYSTEM IS READY FOR INSPECTION. ADDITIONALLY, IF DEVIATION FROM THE APPROVED DRAWINGS ARE DISCOVERED DURING THE CERTIFICATION PROCESS, THE CERTIFICATION MUST BE ACCOMPANIED BY A COPY OF THE APPROVED PERMIT DRAWINGS WITH DEVIATIONS NOTED. BOTH THE ORIGINAL AND REVISED SPECIFICATIONS MUST BE CLEARLY SHOWN. THE PLANS MUST BE CLEARLY LABELED AS "ASBUILT" OR "RECORD" DRAWING. ALL SURVEYED DIMENSIONS AND ELEVATIONS SHALL BE CERTIFIED BY A REGISTERED SURVEYOR.
7. THE OPERATION PHASE OF THIS PERMIT SHALL NOT BECOME EFFECTIVE: UNTIL THE PERMITTEE HAS COMPLIED WITH THE REQUIREMENTS OF CONDITION (6) ABOVE, HAS SUBMITTED A REQUEST FOR CONVERSION OF ENVIRONMENTAL RESOURCE PERMIT FROM CONSTRUCTION PHASE TO OPERATION PHASE, FORM NO.0920; THE DISTRICT DETERMINES THE

EXHIBIT F-2

SYSTEM TO BE IN COMPLIANCE WITH THE PERMITTED PLANS AND SPECIFICATIONS; AND THE ENTITY APPROVED BY THE DISTRICT IN ACCORDANCE WITH SECTIONS 9.0 AND 10.0 OF THE BASIS OF REVIEW FOR ENVIRONMENTAL RESOURCE PERMIT APPLICATIONS WITHIN THE SOUTH FLORIDA WATER MANAGEMENT DISTRICT - AUGUST 1995, ACCEPTS RESPONSIBILITY FOR OPERATION AND MAINTENANCE OF THE SYSTEM. THE PERMIT SHALL NOT BE TRANSFERRED TO SUCH APPROVED OPERATION AND MAINTENANCE ENTITY UNTIL THE OPERATION PHASE OF THE PERMIT BECOMES EFFECTIVE. FOLLOWING INSPECTION AND APPROVAL OF THE PERMITTED SYSTEM BY THE DISTRICT, THE PERMITTEE SHALL INITIATE TRANSFER OF THE PERMIT TO THE APPROVED RESPONSIBLE OPERATING ENTITY IF DIFFERENT FROM THE PERMITTEE. UNTIL THE PERMIT IS TRANSFERRED PURSUANT TO SECTION 40E-1.6107, F.A.C., THE PERMITTEE SHALL BE LIABLE FOR COMPLIANCE WITH THE TERMS OF THE PERMIT.

8. EACH PHASE OR INDEPENDENT PORTION OF THE PERMITTED SYSTEM MUST BE COMPLETED IN ACCORDANCE WITH THE PERMITTED PLANS AND PERMIT CONDITIONS PRIOR TO THE INITIATION OF THE PERMITTED USE OF SITE INFRASTRUCTURE LOCATED WITHIN THE AREA SERVED BY THAT PORTION OR PHASE OF THE SYSTEM. EACH PHASE OR INDEPENDENT PORTION OF THE SYSTEM MUST BE COMPLETED IN ACCORDANCE WITH THE PERMITTED PLANS AND PERMIT CONDITIONS PRIOR TO TRANSFER OF RESPONSIBILITY FOR OPERATION AND MAINTENANCE OF THE PHASE OR PORTION OF THE SYSTEM TO A LOCAL GOVERNMENT OR OTHER RESPONSIBLE ENTITY.
9. FOR THOSE SYSTEMS THAT WILL BE OPERATED OR MAINTAINED BY AN ENTITY THAT WILL REQUIRE AN EASEMENT OR DEED RESTRICTION IN ORDER TO ENABLE THAT ENTITY TO OPERATE OR MAINTAIN THE SYSTEM IN CONFORMANCE WITH THIS PERMIT, SUCH EASEMENT OR DEED RESTRICTION MUST BE RECORDED IN THE PUBLIC RECORDS AND SUBMITTED TO THE DISTRICT ALONG WITH ANY OTHER FINAL OPERATION AND MAINTENANCE DOCUMENTS REQUIRED BY SECTIONS 9.0 AND 10.0 OF THE BASIS OF REVIEW FOR ENVIRONMENTAL RESOURCE PERMIT APPLICATIONS WITHIN THE SOUTH FLORIDA WATER MANAGEMENT DISTRICT - AUGUST 1995, PRIOR TO LOT OR UNIT SALES OR PRIOR TO THE COMPLETION OF THE SYSTEM, WHICHEVER OCCURS FIRST. OTHER DOCUMENTS CONCERNING THE ESTABLISHMENT AND AUTHORITY OF THE OPERATING ENTITY MUST BE FILED WITH THE SECRETARY OF STATE WHERE APPROPRIATE. FOR THOSE SYSTEMS WHICH ARE PROPOSED TO BE MAINTAINED BY THE COUNTY OR MUNICIPAL ENTITIES, FINAL OPERATION AND MAINTENANCE DOCUMENTS MUST BE RECEIVED BY THE DISTRICT WHEN MAINTENANCE AND OPERATION OF THE SYSTEM IS ACCEPTED BY THE LOCAL GOVERNMENT ENTITY. FAILURE TO SUBMIT THE APPROPRIATE FINAL DOCUMENTS WILL RESULT IN THE PERMITTEE REMAINING LIABLE FOR CARRYING OUT MAINTENANCE AND OPERATION OF THE PERMITTED SYSTEM AND ANY OTHER PERMIT CONDITIONS.
10. SHOULD ANY OTHER REGULATORY AGENCY REQUIRE CHANGES TO THE PERMITTED SYSTEM, THE PERMITTEE SHALL NOTIFY THE DISTRICT IN WRITING OF THE CHANGES PRIOR TO IMPLEMENTATION SO THAT A DETERMINATION CAN BE MADE WHETHER A PERMIT MODIFICATION IS REQUIRED.
11. THIS PERMIT DOES NOT ELIMINATE THE NECESSITY TO OBTAIN ANY REQUIRED FEDERAL, STATE, LOCAL AND SPECIAL DISTRICT AUTHORIZATIONS PRIOR TO THE START OF ANY ACTIVITY APPROVED BY THIS PERMIT. THIS PERMIT DOES NOT CONVEY TO THE PERMITTEE OR CREATE IN THE PERMITTEE ANY PROPERTY RIGHT, OR ANY INTEREST IN REAL PROPERTY, NOR DOES IT AUTHORIZE ANY ENTRANCE UPON OR ACTIVITIES ON PROPERTY WHICH IS NOT OWNED OR CONTROLLED BY THE PERMITTEE, OR CONVEY ANY RIGHTS OR PRIVILEGES OTHER THAN THOSE SPECIFIED IN THE PERMIT AND CHAPTER 40E-4 OR CHAPTER 40E-40, F.A.C.
12. THE PERMITTEE IS HEREBY ADVISED THAT SECTION 253.77, F.S. STATES THAT A PERSON MAY NOT COMMENCE ANY EXCAVATION, CONSTRUCTION, OR OTHER ACTIVITY INVOLVING THE USE OF SOVEREIGN OR OTHER LANDS OF THE STATE, THE TITLE TO WHICH IS VESTED IN THE BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND WITHOUT OBTAINING THE REQUIRED LEASE, LICENSE, EASEMENT, OR OTHER FORM OF CONSENT AUTHORIZING THE PROPOSED USE. THEREFORE, THE PERMITTEE IS RESPONSIBLE FOR OBTAINING ANY NECESSARY AUTHORIZATIONS FROM THE BOARD OF TRUSTEES PRIOR TO COMMENCING ACTIVITY ON SOVEREIGNTY LANDS OR OTHER STATE-OWNED LANDS.
13. THE PERMITTEE MUST OBTAIN A WATER USE PERMIT PRIOR TO CONSTRUCTION DEWATERING, UNLESS THE WORK QUALIFIES FOR A GENERAL PERMIT PURSUANT TO SUBSECTION 40E-20.302(4), F.A.C., ALSO KNOWN AS THE "NO NOTICE" RULE.
14. THE PERMITTEE SHALL HOLD AND SAVE THE DISTRICT HARMLESS FROM ANY AND ALL

EXHIBIT F-2

DAMAGES, CLAIMS, OR LIABILITIES WHICH MAY ARISE BY REASON OF THE CONSTRUCTION, ALTERATION, OPERATION, MAINTENANCE, REMOVAL, ABANDONMENT OR USE OF ANY SYSTEM AUTHORIZED BY THE PERMIT.

15. ANY DELINEATION OF THE EXTENT OF A WETLAND OR OTHER SURFACE WATER SUBMITTED AS PART OF THE PERMIT APPLICATION, INCLUDING PLANS OR OTHER SUPPORTING DOCUMENTATION, SHALL NOT BE CONSIDERED BINDING UNLESS A SPECIFIC CONDITION OF THIS PERMIT OR A FORMAL DETERMINATION UNDER SECTION 373.421(2), F.S., PROVIDES OTHERWISE.
16. THE PERMITTEE SHALL NOTIFY THE DISTRICT IN WRITING WITHIN 30 DAYS OF ANY SALE, CONVEYANCE, OR OTHER TRANSFER OF OWNERSHIP OR CONTROL OF A PERMITTED SYSTEM OR THE REAL PROPERTY ON WHICH THE PERMITTED SYSTEM IS LOCATED. ALL TRANSFERS OF OWNERSHIP OR TRANSFERS OF A PERMIT ARE SUBJECT TO THE REQUIREMENTS OF RULES 40E-1.6105 AND 40E-1.6107, F.A.C. THE PERMITTEE TRANSFERRING THE PERMIT SHALL REMAIN LIABLE FOR CORRECTIVE ACTIONS THAT MAY BE REQUIRED AS A RESULT OF ANY VIOLATIONS PRIOR TO THE SALE, CONVEYANCE OR OTHER TRANSFER OF THE SYSTEM.
17. UPON REASONABLE NOTICE TO THE PERMITTEE, DISTRICT AUTHORIZED STAFF WITH PROPER IDENTIFICATION SHALL HAVE PERMISSION TO ENTER, INSPECT, SAMPLE AND TEST THE SYSTEM TO INSURE CONFORMITY WITH THE PLANS AND SPECIFICATIONS APPROVED BY THE PERMIT.
18. IF HISTORICAL OR ARCHAEOLOGICAL ARTIFACTS ARE DISCOVERED AT ANY TIME ON THE PROJECT SITE, THE PERMITTEE SHALL IMMEDIATELY NOTIFY THE APPROPRIATE DISTRICT SERVICE CENTER.
19. THE PERMITTEE SHALL IMMEDIATELY NOTIFY THE DISTRICT IN WRITING OF ANY PREVIOUSLY SUBMITTED INFORMATION THAT IS LATER DISCOVERED TO BE INACCURATE.

7. LAKE SIDE SLOPES SHALL BE NO STEEPER THAN 4:1 (HORIZONTAL:VERTICAL) TO A DEPTH OF TWO FEET BELOW THE CONTROL ELEVATION. SIDE SLOPES SHALL BE NURTURED OR PLANTED FROM 2 FEET BELOW TO 1 FOOT ABOVE CONTROL ELEVATION TO INSURE VEGETATIVE GROWTH.
8. FACILITIES OTHER THAN THOSE STATED HEREIN SHALL NOT BE CONSTRUCTED WITHOUT AN APPROVED MODIFICATION OF THIS PERMIT.
9. ALL SPECIAL CONDITIONS PREVIOUSLY STIPULATED BY PERMIT NUMBER 50-03802-P REMAIN IN EFFECT UNLESS OTHERWISE REVISED AND SHALL APPLY TO THIS MODIFICATION.
10. OPERATION OF THE SURFACE WATER MANAGEMENT SYSTEM SHALL BE THE RESPONSIBILITY OF HAMMOCK RESERVE HOMEOWNERS ASSOCIATION. THE PERMITTEE SHALL SUBMIT A COPY OF THE RECORDED DEED RESTRICTIONS (OR DECLARATION OF CONDOMINIUM, IF APPLICABLE), A COPY OF THE FILED ARTICLES OF INCORPORATION, AND A COPY OF THE CERTIFICATE OF INCORPORATION FOR THE HOMEOWNERS ASSOCIATION CONCURRENT WITH THE ENGINEERING CERTIFICATION OF CONSTRUCTION COMPLETION.
11. THE SCREW GATE PROPOSED FOR THE CONTROL STRUCTURE SHALL REMAIN CLOSED AT ALL TIMES UNLESS SPECIFIC APPROVAL IS GRANTED BY LAKE WORTH DRAINAGE DISTRICT FOR ITS OPERATION. AT NO TIME SHALL THE GATE BE OPERATED TO BYPASS THE WATER QUALITY DETENTION REQUIREMENTS FOR THE PROJECT OR TO LOWER THE LAKE LEVELS BELOW THE PERMITTED CONTROL ELEVATION FOR THE PROJECT. IF FOR WHATEVER REASON, IT IS DETERMINED THAT THE PERMITTEE IS OPERATING THE STRUCTURE CONTRARY TO THE DIRECTIVES OF THE LAKE WORTH DRAINAGE DISTRICT, AND/OR IS OPERATING THE STRUCTURE CONTRARY TO ITS INTENDED PURPOSE AS AN EMERGENCY OUTFLOW (WHEN LWDD CONDITIONS PERMIT), THE STRUCTURE SHALL BE MODIFIED TO PERMANENTLY PREVENT THE USE OF THE GATE. IN ADDITION, THE SCREW GATE SHALL BE EQUIPPED WITH A LOCK MECHANISM TO PREVENT UNAUTHORIZED USE, AND A STAFF GAGE SHALL BE INSTALLED UPSTREAM OF THE STRUCTURE SO THAT LAKE LEVELS WITHIN THE PROJECT CAN BE QUICKLY DETERMINED.

PERMIT SUMMARY SHEET

APPLICATION NUMBER: 970311-4

PERMIT MODIFICATION NO.: 50-03802-P

LOCATION: PALM BEACH COUNTY, S25/T46S/R42E

OWNER: HAMMOCK RESERVE DEVELOPMENT CO

ENGINEER: MICHAEL SCHORAH & ASSOCIATES INC

PROJECT AREA: 64.82 ACRES DRAINAGE AREA: 99.73 ACRES

PROJECT USE: RESIDENTIAL

FACILITIES:

1. EXISTING: The existing site is within the previously permitted Hammock Reserve Model Center site. The 83.8 acre site is located on the east side of Military Trail, south of Linton Boulevard, immediately north of LWDD L-37 Canal and immediately south of LWDD L-36 Canal, in Delray Beach.

A previously permitted school (Permit No. 50-03353-S) is located north of this project and discharges south into an existing detention area. On the west is Citation Club PUD which discharges south to LWDD L-37 Canal via a temporary ditch and control structure. Fox Chase, a residential subdivision east of Hammock Reserve, drains south to the LWDD L-37 Canal.

2. PROPOSED: This permit modification application is for the second phase to include the construction of 251 residential building lots on 64.82 acres.

The surface water management system consists of interconnected lakes, catch basins and curb inlets, and a single control structure discharging south to the LWDD L-37 Canal. Offsite flows from Citation Club to the north currently utilize a temporary ditch and control structure to discharge to the L-37 Canal. The existing control structure will continue to be used but the temporary ditch will be filled and replaced with drainage pipe. A Drainage and Flowage Easement has been recorded for this outfall.

Offsite flows from the existing school to the north currently drain to an existing detention area. This detention area will be incorporated into the Hammock Reserve SWM system as originally designed in the school permit (Permit No. 50-03353-S). An executed Drainage Easement Deed has been recorded for this purpose.

PROJECT SITE DESCRIPTION:

The 83.8 acre project site is located on the east side of Military Trail, south of Linton Boulevard in Delray Beach. The majority of the site (80.0 acres) contains existing citrus groves, while the remaining 3.8 acres contains an oak hammock community which the City of Delray Beach is requiring to be preserved as part of the proposed development.

EXISTING ON SITE UPLAND COMMUNITIES:

PERMIT SUMMARY SHEET**ENDANGERED, THREATENED & SPECIES OF SPECIAL CONCERN SUMMARY:**

The project site does not contain preferred habitat for endangered, threatened, or species of special concern. No endangered/threatened or species of special concern were observed on site, and potential use of the site by endangered/threatened or species of special concern is considered to be minimal. This permit does not relieve the applicant from complying with all applicable rules and any other agencies' requirements if in the future, endangered/threatened or species of special concern are discovered on the site.

ENVIRONMENTAL SUMMARY:

There are no wetlands present at the site. Therefore, adverse impacts to wetlands are not anticipated as a result of the proposed development of the site.

The proposed activities have been evaluated for potential secondary and cumulative impacts and to determine if the project is contrary to the public interest. Based upon the proposed project design, the District has determined that the project will not cause adverse secondary or cumulative impacts to the water resources and is not contrary to the public interest.

APPLICABLE LAND USE:

This total drainage area for the project is 99.73 acres, this includes the off-site 15.93 public school area.

**(additions indicated by underlining, deletions by "----" and

Amendments to Article VIII, Section 1.C. and Section 2.B. of the Declaration, as follows:

ARTICLE VIII

MAINTENANCE

1. Association's Responsibility.

* * *

C. Front Yards, Rear Yards and Public Property. The Association may maintain property which it does not own, including, without limitation, the front yards (street side) and rear yards of the Units and property dedicated to the public, if the Board determines that such ~~public property~~ maintenance is necessary or desirable. The Association, in order to ensure the integrity of the irrigation system and the uniformity of maintenance within the Hammock Reserve Community, shall maintain the front and rear yards of all Units, including the irrigation (sprinkler) system, mowing the grass, trimming bushes and trees, applying fertilizer and pesticides, and performing any other maintenance work that the Association deems necessary. The costs of performing such maintenance shall be treated as a common expense to be shared by all Unit Owners as provided elsewhere in this Declaration. However, the Association shall not be obligated to refurbish or replace landscaping in rear yards or to trim trees or bushes in rear yards except when the Association is trimming trees and bushes on a community-wide basis. Notwithstanding the foregoing, any Unit Owner may notify the Association in writing (by mailing such notice to the Association's then current property manager, or if no property manager is in place, to the Association's current President) that the Unit Owner does not desire the Association to maintain that Unit Owner's rear yard and that such Unit Owner elects to perform the maintenance of the Unit Owner's rear yard (except for the sprinkler system, which shall be maintained solely and exclusively by the Association). The rear yard shall be as defined in Article VIII, Section 2.B. of this Declaration. In the event any Unit Owner elects to maintain the Unit Owner's own rear yard, such Unit Owner shall continue to be responsible for paying such Unit Owner's share of all Association common expenses, including without limitation any portion of such common expenses related to the Association's maintenance of all other rear yards throughout the Community. Upon receipt of such written notification, the Association shall cease maintaining the subject Unit Owner's rear yard, except for the sprinkler system, and the Association shall continue to have the right to access the Unit Owner's rear yard to perform any required inspections or maintenance of the sprinkler system located in such Unit Owner's rear yard.

* * *

2. Owner's Responsibility. . . .

* * *

B. Maintenance of Rear Yard. Each Unit owner that elects, pursuant to Article VIII, Section 1.C. of this Declaration, to maintain that Unit Owner's own rear yard, shall maintain his own lawn, and landscaping, and the sprinkler system located in the rear yard of his Lot, and within the Zero Line Easement (defined below). The rear yard of a Lot includes all portions of the Lot behind an imaginary line extending from and including the vertical plane of the closed door of a Unit to the nearest neighboring Lot Perimeter Wall. Even if a Unit Owner elects to maintain that owner's own rear yard, the Association shall continue to maintain the lawn, landscaping, and sprinkler system located in the front yard (street side) of each Lot, as well as the sprinkler system located in the rear yard, the Common Areas and drainage and other easements shown on the General Plan of Development. Except for the maintenance of rear yards by the Association as set forth in Article VIII, Section 1.C. above, each Unit Owner shall at his own expense maintain all other elements of the Unit Owner's rear yard including, without limitation, removal of fallen palm fronds and tree limbs, maintenance of any plants installed by the Unit Owner, replacement of any plants, and trimming of trees or plants (including those overhanging or touching any structure) between trimmings scheduled by the Association on a community-wide basis. Any Unit Owner who elects to maintain the Unit Owner's own rear yard shall maintain the rear yard in a manner consistent with the general level of maintenance in areas of the community maintained by the Association.
